Terry Perry A Novel Of New Orleans Rivermen:

The New Orleans of Fiction James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans centered fiction are available, they are of little use to scholars researching works written before the 1980s. In The New Orleans of Fiction: A Research Guide James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included. Books In Print 2004-2005 Ed. Bowker Staff, Staff Bowker, Ed., 2004

Barataria Summer Francis Trudell, 2007-12 Maturity comes fast and furious when you are looking down the barrel of a Thompson submachine gun. For sixteen-year-old T. Eddie Leymoine, a summer spent with an enterprising gun-running uncle has no shortage of hair-raising lessons. Ventures with Uncle George in Louisiana bayou country expose the boy to alligator poaching, cock fighting, and the art of deceiving the authorities. The ribald antics favored by George involve houses of ill repute and encounters with a young freelance miss. And then there's LaBelle, a local girl whose intentions make T. Eddie's summer even crazier. George's line of business isn't popular with everyone. Close-minded custom collectors and hired assassins complicate things for George and his nephew, and flaming shootouts have a way of breaking out. But the real trouble begins when George messes with a smuggler. The consequences could be lethal unless T. Eddie steps up and finds a way to save his uncle. The third in a series of stories by Francis P. Trudell, this reckless ride through the bayous around Barataria Bay brings the Prohibition era of feigned innocence and convenient morals back to life as a boy learns about the ways of men during one sweltering summer. The Waterways Journal, 1946

America, History and Life, 1993 Article abstracts and citations of reviews and dissertations covering the United States and Canada

International Motion Picture Almanac Terry Ramsaye, 1979
