Test Match Special :

Test Match Special Diary Test Match Special, 2019-11-14 Few things are as evocative of the English summer as Test Match Special and in 2019 the team had the biggest cricket season ever to cover with the men's and women's Ashes series and the ICC World Cup all taking place. The action didn't disappoint as TMS listeners tuned in to follow some of the most exciting action you could wish for. Now in this brilliant and compelling account of the summer we get to see behind the scenes to find out what really goes on in the commentary box. As well as covering all the key events on the field to ensure the reader can relive a brilliant summer, the Test Match Special Diary takes the reader to the heart of the action to join Aggers and the rest of the crew. Relive the stunning drama of England's nailbiting World Cup victory in a Super Over or Ben Stokes's match-winning innings to save the Ashes at Headingley and find out how the commentary team coped as the tension mounted during some of the greatest games in cricketing history. As well as the cricket we get to hear from the guests who inspired them and about the cakes that were irresistible, the bloopers that had them in stitches to the incredible moments that will never be forgotten, it's all here in this fascinating book. Filled with contributions from all the regulars in the TMS commentary box including Jonathan Agnew, Geoffrey Boycott, Isa Guha, Alison Mitchell, Phil Tufnell and Michael Vaughan, along with some of the most obscure cricketing trivia from scorers Andrew Samson and Andy Zaltzman, this is a book that no fan of Test Match Special can be without.

Test Match Special Jonathan Agnew, Phil Tufnell, 2022-03-31 Who played the best pranks on his fellow team-mates? Which member of the TMS team terrorised his teachers in the annual staff-pupil game? And the truth behind the greatest sporting commentary of all time? Between them Jonathan Agnew and Phil Tufnell have probably watched more cricket than anyone alive and they have many stories to tell, both as players and as commentators for Test Match Special. From their days as schoolboy cricketers learning the ropes to the shenanigans of the county circuit and now their careers as commentators, they have seen it all. Joined by colleagues from TMS such as Isa Guha, Ebony Rainford-Brent, Alison Mitchell, Carlos Brathwaite and Aatif Nawaz, Aggers and Tuffers share the highlights, mishaps and moments of brilliance and emotion that they have witnessed and experienced on pitches around the world.

Test Match Special - 50 Not Out Peter Baxter, 2012-10-31 In 1957 a whole day's play of a Test Match was broadcast on BBC Radio for the first time with the slogan 'Don't miss a ball, we broadcast them all.' This book celebrates 50 years of Test Match Special with anecdotes behind the scenes, stories, photos, reminiscences and champagne moments from five decades of top-quality cricket commentary. Sprinkled throughout are 'My First TMS Match' articles by a number of the programme's main contributors including Jonathan Agnew, Harsha Bhogle, Henry Blofeld, Tony Cozier, Angus Fraser, Bill Frindall, Gerald de Kock, Simon Mann, Vic Marks, Christopher Martin Jenkins, Jim Maxwell, Shilpa Patel, Mike Selvey, Donna Symmonds and Bryan Waddle. Edited by Peter Baxter, the organising brain behind TMS and the programme's producer for 34 years, this is a comprehensive and celebratory account of this most respected and prestigious brand in cricket and an essential read for all fans of the game.

Fred Trueman Chris Waters, 2011-10-01 Fred Trueman was so much more than a cricketing legend The greatest living Yorkshireman according to Prime Minister Harold Wilson he couldn't help excelling at everything he did whether it was as a hostile fast bowler for Yorkshire and England and the first man to take 300 Test wickets in a career or as a fearlessly outspoken radio summariser for Test Match Special He was famous for regularly spluttering that I don't know what's going off out there as well as for the amount of swearing he managed to incorporate into everyday speech Beloved of cricket crowds who filled grounds to witness his belligerent way of playing the game and nothing but trouble to the cricket authorities Fiery Fred was the epitome of a full blooded Englishman But as Chris Waters reveals in this first full biography behind the charismatic exuberant mask lay a far less self assured man terrified even that his new dog wouldn't like him and whose bucolic version of his upbringing bore no relation to the gritty and impoverished South Yorkshire mining community where he actually grew up Drawing on dozens of new interviews with his Yorkshire colleagues family and friends this life of Fred Trueman will surprise and even shock but also confirm the status of an English folk hero

Cricket: A Political History of the Global Game, 1945-2017 Stephen Wagg, 2017-11-14 Cricket is an enduring paradox On the one hand it symbolises much that is outmoded imperialism a leisured elite a rural aristocratic Englishness On the other it endures as a global game and does so by skilful adaptation trading partly on its mythic past and partly on its capacity to repackage itself This ambitious new history recounts the politics of cricket around the world since the Second World War examining key cultural and political themes including decolonisation racism gender globalisation corruption and commercialisation Part One looks at the transformation of cricket cultures in the ten territories of the former British Empire in the years immediately after 1945 a time when decolonisation and the search for national identity touched every cricket playing region in the world Part Two focuses on globalisation and the game's evolution as an international sport analysing social change and the Ashes the campaigns for new cricket formats the development of the women's game the new breed of coach the limits to the game's global expansion and the rise of India as the world's leading cricket power Cricket A Political History of the Global Game

1945 2017 is fascinating reading for anybody interested in the contemporary history of sport *Twenty20 and the Future of Cricket* Chris Rumford, 2013-09-13 Cricket is a sport which is currently undergoing a rapid and dramatic transformation Traditionally thought of as an English summer game limited in appeal to Britain and its Commonwealth cricket has in the past a few years achieved a global profile This is largely due to the development of a new TV friendly format of the game Twenty20 cricket Indeed through the economic and media interests promoting the Indian Premier League IPL the world's richest Twenty20 tournament cricket has belatedly gone global The rapid rise of the IPL underlines that the economic and political characters within cricket are no longer the traditional elites in metropolitan centres but the businessmen of India and the media entrepreneurs world wide who seek to shape new audiences for the game and create new marketing opportunities on a global scale The contributions in this book fall into two broad categories There are firstly those which explore the rapid growth of Twenty20 particularly the motors of change and the new directions that cricket is taking as a result of the Twenty20 revolution Secondly there are a number of contributions which chart the impact of Twenty20 on traditional elements of the game This book was originally published as a special issue of *Sport in Society*
