An Anthology Made & Edited by G. Bullett* Gerald William BULLETT,1932      **The Testament of Light** Gerald William Bullett,1932      A Bookman's Catalogue Vol. 2 M-End T. Bose,R. N. Colbeck,2011-11-01 The Colbeck collection was formed over half a century ago by the Bournemouth bookseller Norman Colbeck Focusing primarily on British essayists and poets of the nineteenth century from the Romantic Movement through the Edwardian era the collection features nearly 500 authors and lists over 13 000 works Entries are alphabetically arranged by author with copious notes on the condition and binding of each copy Nine appendices provide listings of selected periodicals series publications anthologies yearbooks and topical works      *An Annotated Anthology of Hymns* Timothy Dudley-Smith,2002-06-21 An Annotated Anthology of Hymns is a selection of 250 of the best known hymns in the English language including texts translated from Greek Latin German and other languages The selection includes hymns from the earliest years of the Christian church to the present day This is not a book for worship the hymns are printed in a chronological sequence and not by Christian season or subject as they would be in a church hymn book It is an anthology for those who would like to understand more about hymns each one is given a commentary which sets it in context identifies significant sources and provides explanatory and critical material An introductory essay discusses the hymn as a historical and literary form and the way in which it appeals to so many people This is a book which shows how in the words of the foreword by Timothy Dudley Smith hymns lift the heart It will be treasured by those who already know something about hymns and it will delight all those who enjoy hymns and would like to know more about them      *Grundtvig Anthology* Niels Lyhne Jensen,2024-10-31 A notable figure in the cultural and social history of Denmark Nikolaj Frederik Severin Grundtvig s 1783 1872 works are still salient for us now Highlighting his vivacious ideas and personality A Grundtvig Anthology includes extracts from Grundtvig s historical educational theological devotional and poetical works Each chapter is prefaced by insightful explanatory introductions by leading authorities on Grundtvig s monumental body of work along with a comprehensive general introduction and illuminating annotations Grundtvig viewed the myths of the North as an expression of the moral values and understanding of life and his hymn and song writing reveal the same joy of life openness and freedom as the Norse perspective By offering selections from across his major works this anthology succeeds in capturing his spirit in English translation and continuing his written legacy      **Anthology of the Biblical Revolution Evolution Series** Michael Stansfield,2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological

beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church s theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again
