Testimony And Advocacy In Victorian Law Literature And Theology:

Testimony and Advocacy in Victorian Law, Literature, and Theology Jan-Melissa Schramm, 2000-04-20 The eighteenth century model of the criminal trial with its insistence that the defendant and the facts of a case could speak for themselves was abandoned in 1836 when legislation enabled barristers to address the jury on behalf of prisoners charged with felony. Increasingly professional acts of interpretation were seen as necessary to achieve a just verdict thereby silencing the prisoner and affecting the testimony given by eye witnesses at criminal trials. Jan-Melissa Schramm examines the profound impact of the changing nature of evidence in law and theology on literary narrative in the nineteenth century. Already a locus of theological conflict, the idea of testimony became a fiercely contested motif of Victorian debate about the ethics of literary and legal representation. She argues that authors of fiction created a style of literary advocacy which both imitated and reacted against the example of their storytelling counterparts at the Bar.

A New Companion to Victorian Literature and Culture Herbert F. Tucker, 2014-05-05 A NEW COMPANION TO VICTORIAN LITERATURE AND CULTURE

The Victorian period was a time of rapid cultural change which resulted in a huge and varied literary output. A New Companion to Victorian Literature and Culture offers experienced guidance to the literature of nineteenth century Britain and its social and historical context. This revised and expanded edition comprises contributions from over 30 leading scholars who approach the Victorian epoch from different positions and traditions, delve into the unruly complexities of the Victorian imagination. Divided into five parts, this new Companion surveys seven decades of history before examining the key phases in a Victorian life: the leading professions and walks of life; the major literary genres; the way Victorians defined their persons, homes and national identity; and how recent neo-Victorian developments in contemporary culture reconfigure the sense we make of the past today. Important topics such as sexuality, denominational faith, social class and global empire inform each chapter's approach. Each chapter provides a comprehensive bibliography of established and emerging scholarship.

Poetry, Media, and the Material Body Ashley Miller, 2018-08-09

From the Romantic fascination with hallucinatory poetics to the turn of the century mania for automatic writing, poetry in nineteenth century Britain appears at crucial times to be oddly involuntary, out of the control of its producers and receivers alike. This elegant study addresses the question of how people understood those forms of written creativity that seem to occur independently of the writer's will. Through the study of the century's media revolutions, evolving theories of physiology, and close readings of the works of nineteenth century poets including Wordsworth, Coleridge, and Tennyson, Ashley Miller articulates how poetry was imagined to promote involuntary bodily responses in both authors and readers, and how these responses enlist the body as a medium that does not produce poetry but rather reproduces it. This is a poetics that draws

attention to rather than effaces the mediacy of the body in the processes of composition and reception English Fiction and the Evolution of Language, 1850-1914 Will Abberley, 2015-05-21 Explores how Victorian fiction and science imagined the evolution of language from primordial noise to modern English Orley Farm Anthony Trollope, 2018 After the death of her much older husband in a bitterly fought court case Lady Mason is accused of forging his will to give her son the property of Orley Farm Examining the imperfect workings of the legal system Orley Farm was considered by Trollope's friends as the best I have written The Family Novel in Russia and England, 1800-1880 Anna A. Berman, 2022-08-25 This book offers a new understanding of the relationship between family structures and narrative structure in the nineteenth century novel Comparing Russia and England it argues that the two nations had fundamentally different conceptions of the family and that these in turn shaped the way they constructed plots The English placed primary value on the vertical diachronic family axis looking back to ancestors and head to progeny while the Russians emphasized the lateral synchronic axis family expanding outward in the present from nuclear core to extended and chosen kin This difference shaped the way authors plotted consanguineal relations courtship and marriage and alternative kinship constructions Idealizing the domestic sphere and emphasizing family continuity the English novel made family a conservative force while Russian novels approached it as a backward site of patriarchal tyranny in desperate need of reform Russian family plots offered a progressive liberalizing push toward new nontraditional family constructions The book's comparative approach calls for a re-evaluation of reigning theories of the novel theories that are based on the linear English family model and cannot accommodate the more complex Russian alternative It reveals where these theories fall short explains the reasons for their shortcomings and offers a new way of conceptualizing family's role in shaping the nineteenth century novel Classics from Dickens Eliot and Trollope to Dostoevsky Tolstoy and Turgenev are contextualized in the broader literary landscape of their day and Russia's great women writers regain their rightful place alongside their male counterparts as the book draws together family history literary analysis and novel theory **Charles Dickens in Context** Sally Ledger, Holly Furneaux, 2011-06-02 Charles Dickens a man so representative of his age as to have become considered synonymous with it demands to be read in context This book illuminates the world's social political economic and artistic in which Dickens worked Dickens's professional life encompassed work as a novelist journalist editor public reader and passionate advocate of social reform This volume offers a detailed treatment of Dickens in each of these roles exploring the central features of Dickens's age work and legacy and uncovering sometimes surprising faces of the man and of the range of Dickens's industries Through 45 digestible short chapters written by a leading expert on each topic a rounded picture emerges of Dickens's engagement with his time the influence of his works and the ways he has been read adapted and reimagined from the nineteenth century to the present **Criminal Law and the Modernist Novel** Rex Ferguson, 2013-07-08 The realist novel and the modern criminal trial both came to fruition in the nineteenth century Each places a premium on the author's or trial lawyer's ability to reconstruct reality reflecting modernity

s preoccupation with firsthand experience as the basis of epistemological authority But by the early twentieth century experience had as Walter Benjamin put it fallen in value The modernist novel and the criminal trial of the period began taking cues from a kind of nonexperience one that nullifies identity subverts repetition and supplants presence with absence Rex Ferguson examines how such nonexperience colours the overlapping relationship between law and literary modernism Chapters on E M Forster s *A Passage to India* Ford Madox Ford s *The Good Soldier* and Marcel Proust s *In Search of Lost Time* detail the development of a uniquely modern subjectivity offering new critical insight to scholars and students of twentieth century literature cultural studies and the history of law and philosophy

Christ, Creation, and the Fall Simon R. Watson, 2021-05-03 If the Christian God is creator of all things and revealed in Christ to be compassionate love then how can divine agency in creation be understood considering the Darwinian assertion that biological warfare undergirds natural selection The implications are significant for understanding Christian discipleship and ethics if indeed the human is made in God s image with the capacity for creative or destructive dominion over earthly life Gen 1 26 To approach this challenge Simon R Watson turns to Philip Hefner s *The Human Factor* 1993 which identifies the human as created co creator to investigate themes of freedom and determinism in light of Darwinian evolutionary theory Hefner s argument exploring human purpose from a beneficence discernible in creation invites a re examination of Victorian preoccupations with natural teleology Inspired by Hefner s work Watson places Darwin s *The Descent of Man* 1871 in conversation with historical and contemporary sources from William Paley s *Natural Theology* 1802 to twenty first century articulations of Wisdom Christology by Denis Edwards and Elizabeth Johnson to argue that theology can offer a framework of meaning to interpret an evolving nature as revelatory of a Christian God when considered through the lens of a suffering Christ and an existentially fallen creation
