The Texans

Of all the Americans who went west in the 19th Century, none could match the singular record of the pioneers who boldly planted roots in Texas. They were the first Americans to settle the immense land west of the Missouri. They were the only Americans ever to settle in force in a land ruled by a large and unbending power. And they created the only American state ever to join the union as a prosperous and populous nation. All this the Texans accomplished with spectacular flourish, in barely four decades, under circumstances that would have defeated a less daring and ambitious

people. In this book you'll relive their sweeping history, complete with Texas-sized phenomena: frontiers on a colossal scale, fantastic business deals, incredible battles, larger than life heroes. You'll meet Stephen Austin, "Father of Texas," who nurtured the first colonists through a decade of hardships; Sam Houston, who later made Texas a nation and then a state; and dozens of other fascinating Texas characters. An absorbing text by David Nevin, himself a Texan, is accompanied by approximately 250 illustrations, many in color, including maps, sketches and paintings.

Texans Old West:

The Texans Time-Life Books, 1975-01-01 Looks at Texas history through the late 1800 s emphasizing the fiercely independent spirit of its settlers that caused them to forge the character of a bountiful land **The Texans** David Nevin, 1975 Looks at Texas history through the late 1800 s emphasizing the fiercely independent spirit of its settlers that caused them to forge the character of a bountiful land **The Texans** David Nevin, *The Best of American Heritage: The Old West* Edwin S. Grosvenor, 2018-11-26 Here in this remarkable collection from American Heritage such noted authors as Tom Brokaw Wallace Stegner John Lukacs and others bring to life many of the most famous men and women of the Old West from Lewis and Clark to Charles Fr mont Billy the Kid Wyatt Earp Chief Joseph Frederick Remington the defenders of the Alamo the Texas Rangers and the riders of the Pony Express It also shines a light on topics such as the origins of scalping the famous Lincoln County War the grim medical reality of Western gunfights cowboy jargon and the first rodeo **The Old West** Fodor's Travel Publications, Inc. Staff, 2003 The Old West epitomises American freedom and ingenuity This guide covers the authentic Old West in all its legendary grit and complexity With the well chosen sights festivals activities hotels and restaurants travellers can re live western America s first days **The Gunfighters** Bryan Burrough, 2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped *The Gunfighters* brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off

the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story
