for her lonely children and whose cannibalistic love led her children to their grave She thrived on her fame but just as the curtain of obscurity began to lower the family vanished in one of the strangest of America s true crimes This is the real story of the most hated woman in America by the only author to interview the killer and those close to him and to witness the family s secret burial in Austin Texas From the First Chapter The sky was gray and drizzling but it had stopped at the funeral home by quarter to nine Billy Murray hadn t spoken to his three family members for more than twenty years but he wanted to give them a decent burial Bill was an ordained minister but he didn t pray over the charred sawed up remains Baptists don t pray for the dead he said They either accept Christ before they died or they didn t He had his mother cremated in accordance with her oft expressed wish Her urn sat at the head of the burial vault as was appropriate for she had ruled the other two with an iron hand She was Madalyn Murray O Hair 76 founder of American Atheists and the Most Hated Woman in America a sobriquet she relished The other two were his half brother Jon Garth Murray 40 and his daughter Robin Murray O Hair 30 It had taken five years to find them and bring them to the cemetery for the service which was kept secret from the public It was their second burial Jerry Carruth the prosecutor who had searched for the family for nearly four years had watched them being excavated from their shallow mass grave on a South Texas ranch some months before He was watching the shoveling looking for the hip replacement joint Madalyn had gotten in 1988 When they found that he d know he d found Madalyn There it was he said shining in the sun like a trailer hitch
