

Texas Army

JG Myers

Texas Army:

A Private in the Texas Army John A. Pearce, 2022-01-19 Sulphur Springs native Frank Webster Pearce was a soldier in Texas own 36th Infantry Division and the 111th Engineer Combat Battalion The Division s story has been told before but never from start to finish by a combat engineer whose footprints stirred the sands of three invasion beaches wallowed through the mud and trudged in the snow of every battle From training in the United States to the war s end in Austria Pearce chronicled it all With the combination of diary numerous letters home and official division reports this is the most complete look ever produced on the 111th Engineers and their war against Hitler s Germany This is a primary account written daily as the events unfolded It was the war years Here you find out how to properly bury a man in the water soaked Italian soil a fool proof way to smuggle liquor from the US to the soldiers overseas the foul stench of death reeking across the battlefield and the beauty of exploding artillery shells in the night sky These are his thoughts and letters as he wrote them raw and unfiltered

Servicemembers Opportunity Colleges ,1993 **Military Construction, Veterans Affairs, and Related Agencies Appropriations** United States. Congress. House. Committee on Appropriations. Subcommittee on Military Construction, Veterans Affairs, and Related Agencies, 2014 [Military Construction, Veterans Affairs, and Related Agencies Appropriations for 2011, Part 5, February 2010, 111-2 Hearings](#) ,2010 **Daughters of Republic of Texas - Vol**

I ,1995-06-15 The Republic of Texas has a vivid past its ancestors ventured west to settle an uneasy land from exploration by the Spaniards to war with the Mexican government and its declaration of independence in 1836 Read about these ancestor s stories through hundreds of biographies with photographs of most A comprehensive index provides easy reference for genealogical research **United States Congressional Serial Set, Serial No. 14994, House Reports Nos. 360-364** ,

The Tragedy at Waco United States. Congress. House. Committee on Government Reform, 2000 [The US Army and the Texas Frontier Economy](#) Thomas T. Smith, 1999 Seventy million dollars in fifty five years From Texas annexation in 1845 until the turn of the twentieth century the U S Army pumped at least that much or more into the economy of the fledgling state a fact that directly challenges the popular heritage of Texas as the state with roots of pioneer capitalism and fervent independence In *The U S Army and the Texas Frontier Economy 1845 1900* Thomas T Smith sheds light on just who bankrolled the evolution of Texas into viable statehood Smith draws on extensive research gathered from both government archives and Texas army posts in order to evaluate the symbiotic relationship between army quartermasters and the economy of the young state Texas was the army s largest and most costly engagement absorbing up to thirty percent of the total operating budget and channeling that currency into the commercial development of its frontier Smith expands on historian Robert Wooster s theory that the military was engaged in an alliance with the political authority in Texas and using documents such as army contracts for freighting foraging and fort leasing he illustrates how federal fiscal activity spurred commercial growth for the citizens of Texas Besides the obvious development of towns on the skirts of military bases and of

roads between them the establishment of military spending as a bedrock of the Texas economy and the protector of middle class interests shaped the future of the state s commercial prosperity Writing with exceptional detail and clarity Smith traces the emergence of the army s influence and includes analyses of information on army spending and development such as the introduction of army weather and telegraph services to the state as well as accounts of real estate transactions involving the fort building program Smith also accounts for army failures maintaining that no one was truly prepared for the reality of western expansion As an examination of the complex yet mutually beneficial economic relationship between the nation and the state *The U S Army and the Texas Frontier Economy 1845 1900* is ideal for anyone interested in the early days of the state as well as in U S military and frontier history

General Officers of the Army and Air National Guard United States. National Guard Bureau,1972
