Texas Playparty

Alan L. Spurgeon

Texas Playparty:

Publications of the Texas Folklore Society ,1916

Publications of the Texas Folk-lore Society ,1916

Transformations Helen Schwartzman,2012-12-06 Writing a book about play leads to wondering In writing this book I wondered first if it would be taken seriously and then if it might be too serious Eventually I realized that these concerns were cast in terms of the major dichotomy that I wished to question that is the very pervasive and very inaccurate division that Western cultures make between play and seriousness or play and work fantasy and reality and so forth The study of play provides researchers with a special arena for re thinking this opposition and in this book an attempt is made to do this by reviewing and evaluating studies of children s transformations their play in relation to the history of anthropologists transformations their theories While studying play I have wondered in the company of many individuals I would first like to thank my husband John Schwartzman for acting as both my strongest supporter and as an anthropological colleague my severest critic His sense of nonsense is always novel as well as instructive I am also very grateful to Linda Barbera Stein for her Sherlock Holmes style help in locating obscure references checking and cross checking information and patience and persistence in the face of what at times appeared to be bibliographic chaos I also owe special thanks to my teachers of anthropology Paul J Bohannon Johannes Fabian Edward T Hall and Roy Wagner whose various orientations have directly and indirectly influenced the approach presented in this book

The Play-party in Oklahoma Benjamin Albert Botkin,1928

Follow de Drinkin' Gou'd James Frank Dobie,1928 The Play Party in Oklahoma B Botkin Folk Lore Relating to Texas Birds J Strecker Tall Tales for the Tenderfeet A Penn Fishback Yarns from the Sulphurs J Deaver Paul Bunyan Oil Man J Brooks Pipeline Days and Paul Bunyan A Garland Le Loup Blanc of Bolivar s Peninsula P Tucker Pioneer Folk Tales M Atkinson and J Dobie The Corn Thief A Folk Anecdote J raddock The Texas Pecan The Man in the Moon G Bludworth Follow the Drinking Gourd H Parks Some Negro Folk Songs of Texas M Bales Six Negro Folk Songs N Smith Confidences from Old Nacogdoches M Emmons The Ghosts of Lake Jackson B Dobie How Mr Polecat Got His Scent K O Connor De Pot Song P Throop Notes on Some Recent Treatments of Negro Folk Lore R Law Some Characteristics of Cowboy Songs N Gaines More Ballads and Songs of the Frontier Folk J Dobie

Waltz the Hall Alan L. Spurgeon,2005 What did young people do for diversion and socialization in communities that banned most dancing and considered the fiddle to be the devil s instrument The American play party was the fundamentalist s answer Here the singing was a cappella the dancers followed prescribed steps and arm and elbow swings would be the only touching The play party was a popular form of American folk entertainment that included songs dances and sometimes games Though based upon European and English antecedents play parties were truly an American phenomenon first mentioned in print in 1837 The last play parties were performed in the 1950s Though documented in rural and frontier areas throughout the United States they seem to have been most popular and lasted the longest in the rural South and Midwest Skip to My Lou and Pig in a Parlor are still sung today but without the movements

and games This is the first book since the 1930s to study this important and little remembered phenomenon of American folk culture The author interviewed a large number of Americans both black and white who performed play parties as young adults Many of our parents and grandparents experienced these events which harken back to a time when people created their own forms of entertainment Today play parties are an important source of song and movement material for elementary school age children A songbook of ninety musical examples and lyrics completes the picture of this vanished tradition Alan L Spurgeon Oxford Mississippi is associate professor of music at the University of Mississippi He is the editor of *Pig in the Parlor and Twenty Other Authentic Play Parties* and his work has appeared in several music related periodicals *Round the Levee* Stith Thompson, 1916 Law R A History of the Texas Folk Lore Society Dudley R E and Payne L W Texas play party songs and games Payne L W Finding list for Texas play party songs Zavala Adina de Religious beliefs of the Tejas or Hasanas Indians Eddins A W The state industrial school boys slang Eddins A W How Sandy got his meat Scarborough D Traditions of the Waco Indians Wood B D A Mexican border ballad Webb W P Wild horse stories of southwest Texas Pearce J E Folk lore and its influence in determining institutions Hendrix W S The hell hounds Thompson S The prehistoric development of satire Lomax J A Unexplored treasures of Texas folk lore *The Ballad Collectors of North America* Scott B. Spencer, 2012 Much has been written about the songs gathered in North America in the first half of the 20th century However there is scant information on those individuals responsible for gathering these songs The Ballad Collectors of North America How Gathering Folksongs Transformed Academic Thought and American Identity fills this gap documenting the efforts of those who transcribed and recorded North American folk songs Both biographical and topical this book chronicles not only the most influential of these song catchers but also examines the main schools of thought on the collection process the leading proponents of those schools and the projects that they shaped Contributors also consider the role of technology especially the phonograph in the collection efforts Chapters organized by region cover such areas as Appalachia the West and Canada while others devoted to specialized topics from the cowboy tune and occupational song to the commercialization of folk music through song collections and anthologies Ballad Collectors investigates the larger role of the ballad in the development of American identity from the national appreciation of cowboy songs in popular culture to the use of Appalachian song forms in radio broadcasts to the role of dustbowl ballads in the urban folk revival of the 1950s and 1960s Finally this collection assesses the changing role of songs and song texts in the academic fields of folklore anthropology musicology and ethnomusicology Scholars and students of American cultural and social history as well as fans of North American folk and popular music will find The Ballad Collectors of North America a fascinating story of how the American folk tradition gained greater visibility fueling the revolutions that would follow in the writing and performance of American music The University of Texas Record ,1913 **Bulletin of the New York Public Library** New York Public Library, 1924 Includes its Report 1896 19

The Enthralling World of E-book Books: A Detailed Guide Revealing the Benefits of E-book Books: A World of Ease and Versatility E-book books, with their inherent mobility and ease of access, have liberated readers from the constraints of hardcopy books.
