Texas Ranger Tales:

Texas Ranger Tales II Mike Cox, 1999-06-30 Mike Cox knows as much about the Texas Rangers as anybody on the planet And in this his second book on the Rangers he spins more great tales of these larger than life heroes and their sometimes almost unbelievable adventures These are all new stories some only told among the Rangers themselves some told quietly over remote campfires and others only whispered over elegant dinner tables Now here they are more entertaining informative and always exciting tales of the great Texas Rangers

Texas Ranger Tales Mike Cox, 1999 They were men who could not be stampeded said the late Colonel Homer Garrison Jr of the men who wore the badge of the Texas Rangers r nColonist Stephen F Austin during the earliest days of Anglo settlement in Texas wrote that he would employ 10 men to act as rangers for the common defense and thus the famous Texas Rangers came into being An important part of Texas history these few good men were distinguished unique even among themselves and soon even mythical The myths and traditions surrounding the Texas Rangers have endured and evolved Today the Texas Rangers are among the most respected law enforcement agencies in the world Texas Ranger Tales is a collection of legendary Texas Ranger stories from new takes on the famous tales to fresh stories few if any have heard

The Texas Rangers Mike Cox, 2024-05-01 A lively enlightening history of one of the oldest most esteemed law enforcement agencies in America Booklist Starting in 1821 with just a handful of men the Rangers first purpose was to keep settlers safe from the feared and gruesome Karankawa Indians a cannibalistic tribe that wandered the Texas territory As the influx of settlers grew the attacks increased and it became clear that a much larger better trained force was necessary From their tumultuous beginning to their decades of fighting outlaws Comanche Mexican soldados and banditos as well as Union soldiers the Texas Rangers became one of the fiercest law enforcement groups in America In a land as spread out and sparsely populated as the west itself the Rangers had unique law enforcement responsibilities and challenges The story of the Texas Rangers is as controversial as it is heroic Often accused of vigilante style racism and murder they enforced the law with a heavy hand But above all they were perhaps the defining force for the stabilization and the creation of Texas From Stephen Austin in the early days through the Civil War the first eighty years of the Texas Rangers is nothing less than phenomenal setting the foundation for the Texas Rangers that keep Texas safe today

Richly detailed This modern masterpiece does full justice to both the reality and the myth of the Texas Rangers a great organization of which I was honored to be a part for 27 years Joaquin Jackson Texas Ranger Ret author of One Ranger A Memoir **Tales of the Texas Rangers** ,1994 **Texas Rangers Tales II.** Mike Cox,1999 Stories about the Texas Rangers *Gunfights & Sites in Texas Ranger History* Mike Cox,2015-09-07 Since colonizer Stephen F Austin proposed hiring ten rangers for the common defense in 1823 the Texas Rangers have protected the Lone Star State from its enemies with dedication and fortitude All across Texas are places where Rangers made history From the Alamo to nearly forgotten graves and battle sites important landmarks in the story of these legendary lawmen lie in every corner of the state Historian and author Mike Cox reveals history hiding in plain sight and true tall tales of the world famous Texas Rangers **Texas Rangers** Bob Alexander,Donaly E. Brice,2017-07-15 Authors Bob Alexander and Donaly E Brice grappled with several issues when deciding how to relate a general history of the Texas Rangers Should emphasis be placed on their frontier defense against Indians or focus more on their role as guardians of the peace and statewide law enforcers What about the tumultuous Mexican Revolution period 1910 1920 And how to deal with myths and legends such as One Riot One Ranger Texas Rangers Lives Legend and Legacy is the authors answer to these questions a one volume history of the Texas Rangers The authors begin with the earliest Rangers in the pre Republic years in 1823 and take the story up through the Republic Mexican War and Civil War Then with the advent of the Frontier Battalion the authors focus in detail on each company A through F relating what was happening within each company concurrently Thereafter Alexander and Brice tell the famous episodes of the Rangers that forged their legend and bring the story up through the twentieth century to the present day in the final chapters **Tracking the Texas Rangers** Bruce A Glasrud,Harold J. Weiss Jr.,2013-09-15 Tracking the Texas Rangers The Twentieth Century is an anthology of fifteen previously published articles and chapter excerpts covering key topics of the Texas Rangers during the twentieth century The task of determining the role of the Rangers as the state evolved and what they actually accomplished for the benefit of the state is a difficult challenge The actions of the Rangers fit no easy description There is a dark side to the story of the Rangers during the Mexican Revolution for example some murdered with impunity Others sought to restore order in the border communities as well as in the remainder of Texas It is not lack of interest that complicates the unveiling of the mythical force With the possible exception of the Alamo probably more has been written about the Texas Rangers than any other aspect of Texas history Tracking the Texas Rangers covers leaders such as Captains Bill McDonald Lone Wolf Gonzauillas and Barry Caver accomplished Rangers like Joaquin Jackson and Arthur Hill and the use of Rangers in the Mexican Revolution Chapters discuss their role in the oil fields in riots and in capturing outlaws Most important the Rangers of the twentieth century experienced changes in investigative techniques strategy and intelligence gathering Tracking looks at the use of Rangers in labor disputes in race issues and in the Tejano civil rights movement The selections cover critical aspects of those experiences organization leadership cultural implications rural and

urban life and violence In their introduction editors Bruce A Glasrud and Harold J Weiss Jr discuss various themes and controversies surrounding the twentieth century Rangers and their treatment by historians over the years They also have added annotations to the essays to explain where new research has shed additional light on an event to update or correct the original article text *Tracking the Texas Ranger Historians* Bruce A. Glasrud, Harold J. Weiss Jr, 2024-10-15 The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb s publication *The Texas Rangers* Since then numerous works have appeared on the Rangers but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic Editors Bruce A Glasrud and Harold J Weiss Jr gather essays that profile individual historians of the Texas Rangers explore themes and issues in Ranger history and comprise archival research biographies and autobiographies Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume Traditionalists Chuck Parsons Stephen L Moore and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire building Ranger force To these historical writers the Texas Rangers were part of a golden age Revisionists Robert M Utley Louis R Sadler and Charles H Harris pull back from this adulation emphasize the importance of overlooked ethnic and racial groups and point out misbehavior on the part of Rangers They also want to separate fact from fiction Some Ranger historians Frederick Wilkins and Mike Cox straddle both traditional and revisionist approaches in their works The final group Cultural Constructionalists Gary Clayton Anderson Am rico Paredes and Monica Mu oz Martinez continue the work of Revisionists and focus on an interconnected past that includes theoretical approaches and the study of memory and regional identities Several themes emerge throughout the book One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six shooter firepower who served as a military arm of the state and nation A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society This divergent examination especially derived from incidents in the US Mexican War the period from 1910 to 1920 and the lower Rio Grande valley in the 1960s And yet another theme is how the Rangers first resisted and fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers Anglo Black Hispanic Indian and women Rangers
