Tuttle,2006 They do not wear shining armor nor do they carry colorful banners Their names are unknown to the average citizen but their commands carry weight over all but the king They are the world s masters in warfare and magic They are the Knights of Alcea The days of warfare and Darkness were supposedly over and the Knights of Alcea had scattered across the huge nation returning to their private lives their services no longer required Unknown to them a storm is rising over the horizon When seemingly senseless acts of violence erupt across the breadth of Alcea the Knights of Alcea are drawn back into action but their enemies are shrouded in secrecy as they move forward with a diabolical plan designed to crush Alcea forever
