

Handbook of Jewish Liturgy

There are a number of books that describe
the meaning of, and the proper manner of
performing, the various services of the Jewish
religion. It is necessary, however, to have
a book that gives a complete and accurate
description of the services of the Jewish
religion, and the proper manner of performing
them. This book is the only one of its kind.

A Christian's View of the Torah Matt P. Simmons, 2012-03-22 A Christian's View of the Torah is a series of essays illustrating how the Torah uses numerous literary devices often seen in great works of art such as symbolism parallelism reflections and repeated themes This book presents the Bible or at least the Torah as a unified whole with consistent underlying themes rather than a collection of disjointed stories And it shows from the Christian point of view how the Torah points toward Christ and His church Most biblical study guides fall into two extremes At one end of the spectrum they are directed toward the uninitiated or new Christian and are therefore so simplistic that they give no new insights to a Christian wanting to grow At the other extreme they are so academic that a doctorate in divinity is required to get anything out of them A few strive to touch the middle ground which allows the average Christian to grow and to add to his faith A Christian's View of the Torah is an attempt to strike the middle ground This book is not intended as an evangelistic tool but as an aid for those who wish to move from the milk to the meat of the Word and gain some new insights to old familiar stories It is intended for those who have a working knowledge of the Bible particularly the Torah the Historical Books the Gospels Acts and the Epistles in short Genesis through Second Chronicles and Matthew through Jude This is a single Christian's point of view

Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi, 2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170
