The Hanoi Hilton

The Hanoi Hilton:

Six Years in the Hanoi Hilton Amy Shively Hawk, 2017-03-13 With a foreword by Senator John McCain In 1967 U S Air Force fighter pilot James Shively was shot down over North Vietnam After ejecting from his F 105 Thunderchief aircraft he landed in a rice paddy and was captured by the North Vietnamese Army For the next six years Shively endured brutal treatment at the hands of the enemy in Hanoi prison camps Back home his girlfriend moved on and married another man Bound in iron stocks at the Hanoi Hilton unable to get home to his loved ones Shively contemplated suicide Yet somehow he found hope and the will to survive and he became determined to help his fellow POWs In a newspaper interview several years after his release Shively said I had the opportunity to be captured the opportunity to be interrogated the opportunity to be tortured and the experience of answering questions under torture It was an extremely humiliating experience I felt sorry for myself But I learned the hard way life isn't fair Life is only what you make of it Written by Shively's stepdaughter Amy Hawk whose mother Nancy ultimately reunited with and married Shively in a triumphant love story and based on extensive audio recordings and Shively's own journals Six Years in the Hanoi Hilton is a haunting riveting portrayal of life as an American prisoner of war trapped on the other side of the world

Lessons from the Hanoi Hilton Taylor B Kiland, Peter Fretwell, Estate of Jack London, James B Stockdale, 2013-05-15 Why were the American POWs imprisoned at the Hanoi Hilton so resilient in captivity and so successful in their subsequent careers This book presents six principles practiced within the POW organizational culture that can be used to develop high performance teams everywhere The authors offer examples from both the POWs time in captivity and their later professional lives that identify in real life situations the characteristics necessary for sustainable high performance teamwork The book takes readers inside the mind of James Stockdale a fighter pilot with a degree in philosophy who was the senior ranking officer at the Hanoi prison The theories Stockdale practiced become readily understandable in this book Drawing parallels between Stockdale's guiding philosophies from the Stoic Epictetus and the principles of modern sports psychology Peter Fretwell and Taylor Baldwin Kiland show readers how to apply these principles to their own organizations and create a culture with staying power Originally intending their book to focus on Stockdale's leadership style the authors found that his approach toward completing a mission was to assure that it could be accomplished without him Stockdale they explain had created a mission centric organization not a leader centric organization He had understood that a truly sustainable culture must not be dependent on a single individual At one level this book is a business school case study It is also an examination of how leadership and organizational principles employed in the crucible of a Hanoi prison align with today's sports psychology and modern psychological theories and therapies as well as the training principles used by Olympic athletes and Navy SEALs Any group willing to apply these principles can move their mission forward and create a culture with staying power one that outlives individual members

Seven Years in Hanoi Larry Chesley, 1973 **The Hanoi Hilton**, 1986 A view of life for American POWs in the Hoa Lo Prison in Hanoi

better known as the Hanoi Hilton Cmdr Patrick Williamson is shot down and captured by the North Vietnamese in 1964 becoming the first guest at the Hilton For failure to divulge more than his name rank and serial number he is held in solitary confinement for more than a year After Col Cameron Cathcart is captured he reimposes military discipline on the previously disorganized prisoners The North Vietnamese respond by torturing many prisoners to break their spirit but the mistreatment has the opposite effect Many are tortured to the breaking point and read phony confessions but indicate they are under duress by their inarticulate delivery As the war nears an end treatment improves When release comes in 1973 the men are gleefully repatriated

Taps on the Walls John Borling, 2013 Presents poems composed by the Air Force Major General and former prisoner of war who was held in the Hanoi military prison by the Viet Cong for eight years and conveyed his poems to his fellow prisoners through taps on the walls

Hỏa Lò Chí Thiện Nguyễn, 2007 Nguyen Chi Thien crafts seven stories in prose from his experience at the Hanoi Central Prison the infamous Hanoi Hilton where he spent six of a total of twenty seven years of imprisonment in Communist Vietnam Poetic testaments to the human spirit this collection is further legacy of a great literary talent

The Hanoi Hilton Lionel Chetwynd, 1985

Operation Thunderhead Kevin Dockery, 2008 Sheds new light on Operation Thunderbolt the 1972 classified mission on the part of U S Navy SEALs and Underwater Demolition Teams to rescue American POWs held captive in North Vietnam offering full details on the mission and the men who took part

Voices of the Vietnam POWs Craig Howes, 1993-09-30 Unsure whether they would be greeted as traitors or heroes POWs returning from Vietnam responded by holding tight to their chosen motto Return with Honor We re giving the American people what they want and badly need heroes said a Vietnam jungle POW I feel it s our responsibility our duty to help them where possible shed the idea this war was a waste useless as unpopular as it may have been In the first book to explore the entire range of memoirs biographies and group histories published since America s Vietnam POWs returned home Craig Howes explores the development of a collective history He describes how these captives drew upon their national heritage to compose a unified common story while still in prison and how individual POWs have responded to this Official Story Examining what racial cultural and political assumptions support this shared Official Story Howes places the POWs experiences squarely in the center of American history and within those larger clashes of opinion and belief which characterized the nation s response to the Vietnam War The result is an engrossing study of what these captivity narratives can tell us about the POWs their captors and America s Vietnam legacy
