THE HAPPY YEARS Larry B. Fullen, 2023-08-22 Asheville enjoyed prosperity after the harsh and lean years of the Depression and WWII Predominately low middle income there were no social or economic divisions all were rich in mutual respect and pride of community As youth the homogenic culture and ethnicity of our small town was not recognized The focus was on the Thursday night dances in the park the Fourth of July celebration and winning county sports championships Teachers were neighbors compassionate and dedicated to their profession There was a sense of freedom but is something was wrong or not to expectations parents would know about it immediately An attitude of optimism prevailed unaware that Asheville like many rural communities was not realizing the growth of the metropolitan and industrial areas and that for the younger generation the future was not likely to be in Asheville Later in life we understood the blessings and meaning of small town values the unique shared experiences and lasting friendships from growing up in Asheville
