The Seven Year Slip Ashley Poston,2023-06-27 NEW YORK TIMES BESTSELLER An overworked book publicist with a perfectly planned future hits a snag when she falls in love with her temporary roommate only to discover he lives seven years in the past in this witty and wise novel from the New York Times bestselling author of *The Dead Romantics* A New York Public Library Best Book of 2023 A gorgeous love story from one of the finest romance writers out there Carley Fortune New York Times bestselling author of *Every Summer After* Sometimes the worst day of your life happens and you have to figure out how to live after it So Clementine forms a plan to keep her heart safe work hard find someone decent to love and try to remember to chase the moon The last one is silly and obviously metaphorical but her aunt always told her that you needed at least one big dream to keep going And for the last year that plan has gone off without a hitch Mostly The love part is hard because she doesn t want to get too close to anyone she isn t sure her heart can take it And then she finds a strange man standing in the kitchen of her late aunt s apartment A man with kind eyes and a Southern drawl and a taste for lemon pies

The kind of man that before it all she would've fallen head over heels for And she might again Except he exists in the past Seven years ago to be exact And she quite literally lives seven years in his future Her aunt always said the apartment was a pinch in time a place where moments blended together like watercolors And Clementine knows that if she lets her heart fall she'll be doomed After all love is never a matter of time but a matter of timing

For The Love of My Dogs David Ravinsky, 2023-04-28 Never have there been friends more loyal kind and encouraging to humankind than dogs More than companionship they become our other half they always seem to know just what to do when we need comfort and through their unabashed joy for life they can teach us something about ourselves In For the Love of My Dogs David Ravinsky celebrates forty five years of friendship with five canines From his childhood with the rambunctious yet loyal mutt Caesar to new adulthood with the docile golden Gleason to the inseparable Reagan and Brady to the ray of sunshine Mace each dog could not be any more different from each other but each one has left an unforgettable mark on who he is Yet even David knows that his friendships with his dogs could not last forever Each story of happiness comes with one of loss and David doesn't shy away from talking about the darkness that falls over a household when we lose a friend But the storm isn't eternal and what emerges out the other side is an all encompassing love for man's best friend and even some lessons about the nature of life Written with honesty and love For the Love of My Dogs is a delight for pet owners who have irreplaceable bonds with their furry friends
