

A hand is shown from the bottom, reaching upwards towards a dark, starry night sky. The sky is filled with numerous bright stars and streaks of light, creating a sense of vastness and wonder. The hand is positioned in the lower center of the frame, with fingers slightly spread. The overall mood is one of aspiration and freedom.

Slowik, 2020-09-15 The gift of health and wellbeing given to you at birth by God is your responsibility to maintain throughout your life in matters of your heart and mind When you let hostility or sadness into your life with no room for acceptance or forgiveness you open the door for adversity In the Journey of Freedom from Illness and Disease author Halina B Slowik discusses the importance of maintaining positive thought to prevent illness As a nurse for many years she understands the importance of taking care of one s physical health as well as spiritual health While channeling with the Lord for the last twenty years she has learned of His teachings and wisdom on this subject This narrative from the voice of God expresses His deep desire for all to know of

His great love for all people He seeks for all to have wellness of body mind and spirit **Star of the West** ,1928 At the Heart of Freedom Drucilla Cornell,1998-09-14 How can women create a meaningful and joyous life for themselves Is it enough to be equal with men In this provocative and wide ranging book Drucilla Cornell argues that women should transcend the quest for equality and focus on what she shows is a far more radical project achieving freedom Cornell takes us on a highly original exploration of what it would mean for women politically legally and culturally if we took this ideal of freedom seriously if in her words we recognized that hearts starve as well as bodies She takes forceful and sometimes surprising stands on such subjects as abortion prostitution pornography same sex marriage international human rights and the rights and obligations of fathers She also engages with what it means to be free on a theoretical level drawing on the ideas of such thinkers as Kant Rawls Ronald Dworkin Hegel and Lacan Cornell begins by discussing what she believes lies at the heart of freedom the ability for all individuals to pursue happiness in their own way especially in matters of love and sex This is only possible she argues if we protect the imaginary domain a psychic and moral space in which individuals can explore their own sources of happiness She writes that equality with men does not offer such protection in part because men themselves are not fully free Instead women must focus on ensuring that individuals face minimal interference from the state and from oppressive cultural norms They must also respect some controversial individual choices Cornell argues in favor of permitting same sex couples to marry and adopt children for example She presses for access to abortion and for universal day care She also justifies lifestyles that have not always been supported by other feminists ranging from staying at home as a primary caregiver to engaging in prostitution She argues that men should have similar freedoms thus returning feminism to its promise that freedom for women would mean freedom for all Challenging passionate and powerfully argued Cornell s book will have a major impact on the course of feminist thought *The Philosophy of Freedom* Rudolf Steiner,1916 **Freedom and Truth** Howard Nicholson Brown,1916 *The June 10th Journal of a New Freedom & New Happiness* Joseph Anthony (Fred),2008-07-18 This book is a compilation of many writings poems prose essays and some dialogue about the invaluable life of sobriety my continued recovery from alcoholism for over 26 years in the 12 Steps of Recovery and in union with God However this work is not limited to one subject Some of this book is about my personality or lack of one my childhood my family my Christian faith and further about my continuing relationship with my wife and my association with some very special friends also containing a collage of thoughts and words about various other topics of life in sobriety One day at a meeting I came in contact with a friend who knew about Xlibris I made contact with them and the book was born This book is not written in perfect English because I and most folks do not speak or think in perfect English The book is not printed in perfection to wit some works are in all Caps some in partial Caps because it makes it easier for me and others to see No disrespect is meant to anyone This just reminds me that I am NOT PERFECT nor will I ever be I hope you find value in my writings That is the purpose for which I inspired by the Lord have written them Thank you May God grant your every need
