The Hidden Gift Kalamos Kalamos, 2018-01-19 Excerpt from The Hidden Gift And Other Poems The hymn entitled the Hidden Gift having been received with approbation I have yielded to advice and have adopted that heading as a title for this little book I venture to hope indeed that some of its other contents will be esteemed as not unworthy the writing of much better known authors of poetical works but that is a secondary consideration The poet has often the privilege of stating in few words truth which may dwell in the memory of the reader by mere force of rhythmical expression whereas the same truth if shortly expressed in prose might be passed over as commonplace while if expanded into a paragraph it would be too long for familiar quotation Hence I deem it fitting to endeavour to express in verse what might more commonly be limited to prose About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
