Gypsy Sorcery and Fortune Telling - Illustrated by Numerous Incantations, Specimens of Medical Magic, Anecdotes and Tales
 Charles Godfrey Leland, 2015-10-28 This vintage work contains a collection of the customs usages and ceremonies used among gypsies as regards fortune telling witch doctoring love philtering and other sorcery illustrated by many anecdotes and instances taken either from works as yet very little known to the English reader or from personal experiences Within a very few years since Ethnology and Archaeology have received a great inspiration and much enlarged their scope through Folk lore everything relating to such subjects is studied with far greater interest and to much greater profit than was the case when they were cultivated in a languid half believing half sceptical spirit which was in reality rather one of mere romance than reason Now that we seek with resolution to find the whole truth be it based on materialism spiritualism or their identity we are amazed to find that the realm of marvel and mystery of wonder and poetry connected with what we vaguely call magic far from being explained away or exploded enlarges before us as we proceed and that not into a mere cloudland gorgeous
