And Without Controversy, Great Is the Mystery of Godliness Ade Lokiki, 2016-05-14 This book is all about what was in the heart of our Father his plan and purpose from the very beginning of sending his Son even before the fall of man in search for all of his children so as to bring us into a beloved perfection by his grace transforming us into his image as he reveals himself unto us so he can fellowship with us in spirit and truth It also explores the fact that with God we have an inheritance that cannot be earned but can be received and how our mind set can prevent us from receiving what is already given It shows scriptural accounts of these truths so as to establish in your hearts what God's will is truly for you If you don't think about angels at all then it will awaken your consciousness to the role of angels in the believers life and who they are The final focus of this book is to equip the believer on his prayer life and motivate him to seek out his God given purpose on earth
