

THE MYSTERY OF ANGELS

"THE HOSTS OF GOD"

The reason why I have given *"The Mystery of Angels"* is to investigate the existence of angels, but marvel at their glorious work.

Many people have questioned if angels really exist. In my many experiences and encounters, I have observed that there are creatures and beings that we cannot see and explain.

Msgr. J. Brian Bransfield, 2022-08-26 Angels are all around us They are not fairy tale creatures or New Age sprites but powerful beings created by God to reflect his light And while we often are not aware of them the angels are deeply interested in us In *Angels Our Guardians in Spiritual Battle* moral theologian author and speaker Msgr Brian Bransfield teaches us how to recognize the angels present in our lives Drawing on Scripture the Church Fathers and the Catechism of the Catholic Church Msgr Bransfield shows how the angels the good angels who serve God and the evil angels who fell with Lucifer influence us in powerful ways The evil angels are insidious as they seek to lure us into sin and away from God The good and holy angels help us combat the wiles of the demons and accompany us on our mission of sharing Christ with the world They serve as God's humble yet powerful messengers and our guardians in the wilderness of

this life strengthening us against temptation Ultimately they lead us to the glory of the Resurrection so that we might share the victory of Jesus over sin and death The Mysteries of Christianity Matthias Joseph Scheeben, 2023-03-17 The Mysteries of Christianity is Matthias Joseph Scheeben's youthful magnum opus a logically rigorous and spiritually profound dogmatic theology In its pages he explores the intelligibility of Christianity's supernatural mysteries and their deep connectedness ultimately demonstrating that Christian theology constitutes a science before the court of human reason even as its object transcends human comprehension Scheeben's task is to present a unified view of the whole panorama of revealed truth and he pursues this by considering nine key Christian mysteries the Trinity creation sin the Incarnation the Eucharist the Church and its sacraments justification eschatological glory and predestination Since the mystery of the Trinity is the root of the supernatural order Scheeben begins here showing that the foundation of the salvific economy lies in the eternal processions of persons in God the begetting of the Son and the spiration of the Spirit being in different ways the cause of the life of grace in the human soul When the Son and the Spirit are sent into the world in the Incarnation and through the bestowal of grace they provide the way for human beings to see God face to face in the beatific vision the end for which God created humans Among the means of return to God Scheeben particularly emphasizes the Eucharist on account of its close connection with the mystery of the Incarnation By placing his treatment of the Eucharist before that of the Church he signals that his is a genuinely Eucharistic ecclesiology centered on the abiding presence of the incarnate divine Son **Teachings from the Mystery School, the Healing Power of Angels** Elizabeth Clare Prophet, 1987
