To Library Research In Women's Studies Susan E. Searing,2019-02-26 This annotated bibliography evaluates the traditional reference aids available in most college libraries in terms of their usefulness in women s studies research highlighting issues and problems of central concern to researchers in women s studies Encyclopedia of Women and Gender, Two-Volume Set Judith Worell,2001-09-13 Covers the psychology of women the psychology of men and gender differences while discussing psychological differences in personality cognition and behavior as well as biologically based differences and how those differences impact behavior **Callisto Myth from Ovid to Atwood** Kathleen Wall,1988-07-01 Kathleen Wall traces the myth through fifteen works of English American and Canadian literature providing a fresh feminist reading of these narratives Among the works analysed are selections by Margaret Atwood Charlotte Bronte Thomas Hardy and George Elliot The resulting text reveals many facets of the realities of women s experience from the Middle Ages to the twentieth century And ultimately Wall shows rape to be an expression of dominance rather than lust giving increased support to the definition suggested by feminists Wall demonstrates that the Callisto myth is a powerful archetype which illustrates both the victimization of women and their search for independence and autonomy an archetype that should not be ignored by modern women *Women and Spirituality* Ursula King,1993-07-21 Taking a critical look at feminism and exploring its explicit and implicit spiritual dimensions this revised and updated new edition of Women and Spirituality engages in a reflective dialogue with contemporary women s voices It asks to what extent patriarchal oppression and androcentric thinking are inherent not only in Christianity but in all religious beliefs practices and institutions This is the only book which provides a comprehensive survey of current discussions in feminist theology and spirituality and offers a wide ranging account of women and world religions and raising thought provoking questions about the spiritual dimensions of human life
