The Needlework Of Mary Queen Of Scots

Margaret H. Swain

The Needlework Of Mary Queen Of Scots:

Needlework of Mary Queen of Scots Margaret Swain,2013-08-31 Although a large body of needlework has always been attributed to Mary Queen of Scots little attempt was made to authenticate these pieces or to explain how so energetic and impetuous a woman could have found pleasure in the meticulous craft of embroidery This is the first comprehensive study of the Queen as a needlewoman describing all the works associated with her For the first time every piece marked by her cipher or monogram is illustrated in full A biographical outline provides the framework for understanding her work by setting it in the context of her unsettled and stormy life It recounts the influence of her formative years in France and her absorption in needlework during the years of imprisonment Many of the embroideries can be seen in British country houses and in Scottish collections A significant work in the history of costume and textiles and sheds a new light on those little known aspects of Mary Queen of Scot s life The first comprehensive study of the Queen of Scots as a needlewoman and how such an energetic and impetuous woman could have found pleasure in the meticulous craft of embroidery Illustrated in full with 12 colour 70 black white photographs and 20 illustrations Margaret Swain is an expert on the history of costume and textiles and was awarded an MBE for her work on embroidery and tapestries *The Needlework of Mary, Queen of Scots* Margaret H. Swain,1973-01-01 *The Needlework of Mary, Queen of Scots* Margaret Swain,1973 *Emblems for a Queen* Michael Bath,2008-10-14 The many pieces of embroidery made by Mary Queen of Scots and by Elizabeth Countess of Shrewsbury are among the best known and most important examples of historical embroidery Most notable is the extent to which the embroideries executed by the two women constitute a single distinctive body of creative work The purpose of this book is to address the many unanswered questions surrounding the meaning and purpose of their embroidery and above all the sources and patterns used for their imagery *Embroidering Her Truth* Clare Hunter,2022-03-17 I felt that Mary was there pulling at my sleeve willing me to appreciate the artistry wanting me to understand the dazzle of the material world that shaped her At her execution Mary Queen of Scots wore red Widely known as the colour of strength and passion it was in fact worn by Mary as the Catholic symbol of martyrdom In sixteenth century Europe women s voices were suppressed and silenced Even for a queen like Mary her prime duty was to bear sons In an age when textiles expressed power Mary exploited them to emphasise her female agency From her lavishly embroidered gowns as the prospective wife of the French Dauphin to the fashion dolls she used to encourage a Marian style at the Scottish court and the subversive messages she embroidered in captivity for her supporters Mary used textiles to advance her political agenda affirm her royal lineage and tell her own story In this eloquent cultural biography Clare Hunter exquisitely blends history politics and memoir to tell the story of a queen in her own voice A charmed feat of imagination and learning HILARY MANTEL **Life of Mary Queen of Scots** Agnes Strickland,1893 *Bess of Hardwick, Mary Queen of Scots, and the Cavendishes* Lisa Hopkins,2025-05-29 This book examines the cultural legacies of the fifteen years that Mary Queen of Scots spent as a prisoner in the household of Bess of

Hardwick and her fourth husband the Earl of Shrewsbury It proposes four main areas of influence first that although Mary never visited Hardwick New Hall the experience of keeping Mary captive affected the way that Bess conceived and furnished the house second that Mary's insistence on having copious meals ceremonially served to her can be traced in the recipe and remedy books of two of Bess's granddaughters third that Mary's status as royal prisoner is echoed in the life of a third granddaughter Lady Arbella Stuart and fourth that the necessity of defending Cavendish Talbot residences from attack informed the way that Bess's son Charles Cavendish built Bolsover Castle and coloured the way that two of Bess's great granddaughters described their experiences during the English Civil War in a jointly authored play Mary, Queen of Scots

Jenny Wormald, 2017-08-10 Mary Stuart Queen of Scots has long been portrayed as one of history's romantically tragic figures Devious naïve beautiful and sexually voracious often highly principled she secured the Scottish throne and bolstered the position of the Catholic Church in Scotland Her plotting including probable involvement in the murder of her husband Lord Darnley led to her flight from Scotland and imprisonment by her equally ambitious cousin and fellow queen Elizabeth of England Yet when Elizabeth ordered Mary's execution in 1587 it was an act of exasperated frustration rather than political wrath Unlike biographies of Mary predating this work this masterly study set out to show Mary as she really was not a romantic heroine but the ruler of a European kingdom with far greater economic and political importance than its size or location would indicate Wormald also showed that Mary's downfall was not simply because of the crisis years of 1565-7 but because of her way of dealing or failing to deal with the problems facing her as a renaissance monarch She was tragic because she was born to supreme power but was wholly incapable of coping with its responsibilities Her extraordinary story has become one of the most colourful and emotionally searing tales of western history and it is here fully reconsidered by a leading specialist of the period Jenny Wormald's beautifully written biography will appeal to students and general readers alike

Queen of Scots John Guy, 2014-06-17 This Whitbread Award winning biography and basis for the film *Mary Queen of Scots* starring Saoirse Ronan and Margot Robbie reads like Shakespearean drama The Atlanta Journal Constitution A triumph A masterpiece full of fire and tragedy Amanda Foreman author of *Georgiana* In the first full scale biography of Mary Stuart in more than thirty years John Guy creates an intimate and absorbing portrait of one of history's greatest women depicting her world and her place in the sweep of history with stunning immediacy Bringing together all surviving documents and uncovering a trove of new sources for the first time Guy dispels the popular image of Mary Queen of Scots as a romantic leading lady achieving her ends through feminine wiles and establishes her as the intellectual and political equal of Elizabeth I Through Guy's pioneering research and superbly readable prose we come to see Mary as a skillful diplomat maneuvering ingeniously among a dizzying array of factions that sought to control or dethrone her Queen of Scots is an enthralling myth shattering look at a complex woman and ruler and her time The definitive biography Gripping A pure pleasure to read The Washington Post Book World Reads like Shakespearean drama with all the delicious plotting and fresh writing to go with it

The Atlanta Journal Constitution **Afterlife of Mary, Queen of Scots** Steven J. Reid, 2024-04-30 Mary Queen of Scots 1542-1587 was active as monarch of Scotland for just six years between 1561 and 1567 but her impact as a ruler in Scotland is much less important than her subsequent role in popular culture and imagination. Her story has enjoyed perpetual retelling and reached a global audience over the past four and a half centuries. This collection surveys the exceptionally varied range of objects, literature, art, and media that have been produced to commemorate Mary between her own time and the present day. Why is her story so enduring, pervasive, and of such interest to so many different audiences? How have the narratives associated with these objects evolved in response to shifting cultural attitudes? The collection offers a much needed novel perspective on the Queen of Scots using an approach at the intersection of early modern gender and cultural history, museum and heritage studies, and memory studies.

Reviewing **The Needlework Of Mary Queen Of Scots**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
