Twentieth-century Western Writers Geoff Sadler, 1991 Contains alphabetically arranged entries that provide information about nearly five hundred twentieth century writers of Western fiction each featuring a biography a bibliography a signed critical essay and in some cases comments from the author Includes a title index The Western Jeffrey M. Wallmann, 1999 Wallmann's sweep through the western is a careful incisive and blessedly non theoretical examination of the implications of the western from the beginning to the present taking the reader deep into the heart of the subject and offering original and perceptive theories of how the western reflects the evolution of America BOOK JACKET **The Burt Arthur Western MEGAPACK** ® Burt Arthur, 2015-02-05 Burt Arthur 1899 1975 a longtime Chicago resident wrote more than 100 novels over the course of his career plus numerous radioplays and short stories He also collaborated with his son Budd Arthur on westerns We are pleased to present a collection of four of Burt Arthur's classic western novels in the MEGAPACK™ series Included in this volume are BOSS OF THE FAR WEST The rough and ready miners needed Reed McCandless and his Rangers to enforce law and order But the crooked mine owner has his own idea of justice FLAMING GUNS Meet Mustang Marshall the man who stirred up the hottest hell hole in the west GUNSMOKE IN NEVADA Ex Ranger Johnny Canavan was two hundred pounds of fighting man one hundred pounds to each fist When he decided to clean up the town the gang of gunslingers figured they'd better get a lot more muscle if they wanted to stop him SILVER CITY RANGERS When a tall lanky man named Marshall rode into town he was just travelling through until a sheriff's dead body stopped him If you enjoy this volume of classic westerns don't forget to search your favorite ebook store for Wildside Press Megapack to see all the other entries in this series covering classic and historical fiction science fiction fantasy horror mysteries and much much more

Gunsmoke and Gold William W. Johnstone, 2018-06-26 Gunslingers and greed make dangerous bedfellows in this hoof pounding Western adventure from the USA Today bestselling author of Gunsight Crossing Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the warrior's life forging a bond no one could ever break And as years passed a legend grew of the Cheyenne and the white man who rode together and who could jerk killing iron with the best of them Gunsmoke and Gold In Dale Colorado any cowboy with good sense knows better than to step through the batwings of the Plowshare Saloon and any sheep herder crazy enough to belly up to the bar at the Red Dog is ordering the last taste of whiskey he'll ever lift to his lips The town of Dale is heading for an all out war that will pit father against son and brother against brother Bodine and Two Wolves try to make both sides see reason but that fails when a bunch of hired night riders start scouring the countryside and putting notches on their six guns The blood brothers soon figure the cause of the trouble goes a hell of a lot deeper than the grass everyone's fighting over A battle's coming and they're about to be caught in the thick of it and in a storm of red hot lead Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on Eyes of Eagles There's plenty of gunplay and fast paced action Curled

Up with a Good Book on Dead Before Sundown **The Nester** John S. Daniels,1999 All his life Rod Devers had wanted only one thing his own spread To get it he hired his gun to the highest bidder When he had it he hung up his gun Then Egan Valley exploded into range war But Rod refused to take either side until he stood alone deserted by friends as well as the girl he loved Then once again he strapped on his gun and went out to take on both sides knowing that one or the other would kill him The Real American Cowboy Jack Weston,1988 This is a strong scholarly historical account of the cowboy era The use of photographs song lyrics and authentic recollections help make it a convincing portrait Kirkus Reviews The Epic History of the American West William Nester,2025-10-30 The American West evokes powerful imagery warriors on horseback cowboys in saloons and pioneers in wagons heading westward It symbolizes freedom reinvention and the American Dream However this idealized image obscures the complex often violent history of the West which is as unjust as it is inspiring Historians debate the boundaries of the American West but it s clear that it s a dynamic concept both a place and an idea evolving over time For three centuries the frontier and western history overlapped until the frontier disappeared in 1890 Early narratives celebrated explorers settlers and entrepreneurs who developed the West portraying them as heroic figures However modern historians criticize this triumphant view highlighting the exploitation racism and ecological damage caused by Western expansion They focus on marginalized groups racial minorities women and workers while critiquing the often overlooked injustices faced by Indigenous peoples and others This revisionist perspective emphasizes the darker aspects of Western history challenging previous glorifications of development and heroism The Epic History of the American West bridges traditional and revisionist views exploring the region s complex legacy from violent struggles to ongoing cultural and ideological conflicts It reflects the West s enduring significance blending history and mythology to reveal its multifaceted nature *True Western Adventures* ,1959 Born to Gunsmoke Thomas Thompson,1956 Trouble on Crazyman Sam Allison,2000 Deputy John Wall hated homesteader Blake Summers and Wall had the fastest guns this side of the law The mayor of Mountain City hated Blake Summers and he was tough dishonest murderous The biggest rancher in Crazyman valley hated Blake Summers and he had 100 loaded holsters behind him The whole state of Wyoming hated Blake Summers he was a despised nester in the middle of a range war a meddling rancher in the middle of a battle for water rights a man with a chip on his shoulder a grudge in his heart and a hand on his pistol Back cover
