

A historical map titled 'EMPIRE OF THE NETHERLANDS' by A.H. Dufour. The map shows the Netherlands and its extensive colonial empire, including parts of Europe, Africa, Asia, and Oceania. The title 'Brief History' is overlaid in large, colorful, multi-colored letters. The map is framed by a decorative border.

Brief History

- In history, The Netherlands was a neutral country in the First World War. It fought for freedom and was liberated in 1945. Since then, Holland has made huge development in its agriculture and economy and is gradually playing an important role in the world.

The Netherlands In Brief

Alexander Young

The Netherlands In Brief:

A Brief History of the Netherlands, Second Edition Paul State, 2021-05-01 A Brief History of the Netherlands Second Edition provides a clear lively and comprehensive account of the history of the Netherlands from ancient times to the present day It relates the central events that have shaped the country and details their significance in historical context touching on all aspects of the history of the country from political international and economic affairs to cultural and social developments Illustrated with full color maps and photographs and accompanied by a chronology bibliography and suggested reading this accessible overview is ideal for the general reader Coverage includes From Early Settlements to Frankish Rule Political Strife and the Rise of Urban Life Wars of Religion and Emancipation Resplendent Republic Dynamo in Decline From Republic to Empire to Kingdom Building the Modern Nation State Neutrality Depression and World War Reconstruction and Rebirth after World War II The Netherlands in the Twenty first Century the Triumphs and Trials of a Tolerant Society A Short History of the Netherlands (Holland and Belgium) Alexander Young, 1886 *A Short History of the Netherlands Antilles and Surinam* Cornelis C. Goslinga, 2012-12-06 To English speaking historians the author of this book a Dutchman who for many years now finds his base at the University of Florida became well known when his *The Dutch in the Caribbean and on the Wild Coast* 158 I680 was published in 1972 At that time Professor Goslinga who prior to his academic career in the United States lived for an extended period in Cura ao Netherlands Antilles had already acquired a solid reputation among Dutch Caribbeanists by his manifold publications on social political and maritime aspects of Dutch West Indian history By his training interests and present position Dr Goslinga would seem to me to be singularly well equipped to write a comprehensive history geared to an English speaking university public of what was once known as the Netherlands West Indies The present book is the product of this professional equipment and of his long teaching experience It should go a long way in filling the old and wide gap in historical information on this part of the former Dutch empire and I hope an equally wide but younger audience will appreciate it *Joint Army-Navy Intelligence Study of Java-Timor Area: ch. 1.
