

A dense forest of tall evergreen trees, likely spruce or fir, stretches into the distance. The trees are dark green and densely packed, creating a textured background. The sky above is a deep, dark blue-grey, suggesting an overcast day or dusk. The overall mood is quiet and somewhat somber.

ABA Journal, 1972-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Emile Durkheim on Morality and Society** Emile Durkheim, 1973 Selections from Durkheim's writings focus on the nature of his conception of society and its moral context **Who Owns The Planet**, **Sovereignty as Responsibility** Francis M. Deng, Sadikiel Kimaro, Terrence Lyons, 2010-12-01 The authors assert that sovereignty can no longer be seen as a protection against interference but as a charge of responsibility where the state is accountable to both domestic and external constituencies In internal conflicts in Africa sovereign states have often failed to take responsibility for their own citizens welfare and for the humanitarian consequences of conflict leaving the victims with no assistance This book shows how that responsibility can be exercised by states over their own population and by other states in assistance to their fellow sovereigns Sovereignty as Responsibility presents a framework that should guide both national governments and the international community in discharging their respective responsibilities Broad principles are developed by examining identity as a potential source of conflict governance as a matter of managing conflict and economics as a policy field for deterring conflict Considering conflict management political stability economic development and social welfare as functions of governance the authors develop strategies guidelines and roles for its responsible exercise Some African governments such as South Africa in the 1990s and Ghana since 1980 have demonstrated impressive gains against these standards while others such as Rwanda Somalia Liberia Nigeria and Sudan have failed Opportunities for making sovereignty more responsible and improving the management of conflicts are examined at the regional and international levels The lessons from the mixed successes of regional conflict management actions such as the West African intervention in Liberia the East African mediation in Sudan and international efforts to urge talks to end the conflict in Angola indicate friends and neighbors outside the state in conflict have important roles to play in increasing sovereign responsibility Approaching conflict management from the perspective of the responsibilities of sovereign **The Great Falling Away** Adrian Salupo, 2008-02-19 This first volume of our Great Falling Away Series biblically explicates both the beginning and the end of the biblical age while also revealing mankind's great falling away from a biblically defined faith in God and His mortal immortal and eternal Messiah Jesus the Christ of Bethlehem Nazareth Judea The full title for this first book of our series is The Great Falling Away Volume I The Biblical Age This book is now available directly from Xlibris as well as from on line booksellers and retail bookstores everywhere The second book of our Great Falling Away Series is entitled The Great Falling Away Volume II Anti Christ Babylon and the Bride of the Lamb This second and final book in our Great Falling Away series is now completed and is now also available directly from Xlibris as well as from booksellers everywhere **Philosopher of Revelation** Joshua O. Haberman, 1990 [Grace Abounds](#) Daniel Deutschlander, 2015-01-01 What do Christians believe Christianity is one of the top five religions in the world But if

you re a Christian and someone asked you what makes Christianity different from the other four Judaism Islam Hinduism and Buddhism what would you say What do Christians believe and teach All Christian teaching is rooted in what God says in his Word the Bible In *Grace Abounds* author Daniel Deutschlander goes straight to this ultimate source and lets the Bible have the final word as he examines the teachings that define Christianity The two main arguments that Deutschlander brings out in this book as he explains what Christians believe and teach are Every teaching in Christianity is related to God s saving grace or love in Christ Jesus Every teaching in Christianity is practical for every believer s faith and life If you re wondering how to respond to the question of what Christianity is all about this engaging book will serve as a helpful reference for you and will strengthen and reaffirm your faith and trust in Jesus

God Really Is A Woman Virgil Leroy Pace, 2010-07-01 God Really Is a Woman When we say God is really a woman we have come to this conclusion by both Scriptural proof and logic God is perfect in all things Therefore He is perfect in logic We see in the Scriptures that God is three persons the Father the Son and the Holy Spirit Jesus speaking to His twelve apostles said in Matthew 28 Go ye into all the world and preach the Gospel baptizing in the name of the Father and of the Son and of the Holy Ghost The popular belief is that the Virgin Mary is the mother of Jesus The scriptures show that the Holy Spirit is the Mother which we will see The Holy Spirit descended from the clouds in the form of a dove What a wonderful beautiful picture of the blessed Holy Spirit Mother We cannot learn the truth of God from the manuscripts A lifetime of study of them wouldn t reveal the truth of the Holy Spirit It has been lost in the translations But not in God s Word Jesus said Heaven and earth will pass away but my word will not pass away The Father the Son and the Holy Spirit Father Son Mother is a perfect picture and example of a perfect family by which every family should strive to imitate

The British Millennial Harbinger , 1863 *Speaking Like Luther* Lemm Sadler, 2015-11-03 Within three centuries of his resurrection Jesus of Nazareth was presented to the world as incarnation of the Second Person of a triune Godhead The great debate at Nicaea sought to resolve the issue of how the death of Christ could be effective for the sins of the whole world The Alexandrians and Romans infused Christ with the qualities of a Greek deity and argued that Christ had literally come down from his heavenly throne and appeared among mortals as a man yet died as a deity for mankind The pragmatic Asians however believed Christs existence began only with his birth and believed that Jesus Christ was a man sent by God to reflect the nature of God perfectly to others The debate winning Alexandrians explained salvation using Greek metaphysical notions about the relationship between physical and spiritual worlds *Speaking Like Luther* enters the fray by tackling the same questions while rejecting metaphysical arguments In a way it gives a voice back to the early Asian bishops It asks the 21st century Christian to challenge what Nicaea and the Church Fathers first believed to be the truth and to reconsider how it was that Jesus could save his own nation and offer a universal salvation to all mankind if he was something less than a deity
