The Gruffalo Single Cd:

Active Learning in Primary Classrooms Jenny Monk, Catherine Silman, 2014-01-14 What do we mean by Active Learning How can you inspire children to engage fully in their learning How can you plan and organise a curriculum that ensures that children are actively involved in the learning process This brand new text not only explores and examines the concept of active learning but demonstrates how every teacher new or experienced can translate theory into practice and reap the rewards of children actively engaged in their own learning in the classroom Central to the book is the series of extended case studies through which the authors highlight examples of effective teaching and learning across the whole primary curriculum They provide practical examples of planning teaching and assessing to encourage inspire and give confidence to teach in creative integrated and exciting ways

Dialogic Pedagogy Anne Thwaite, Alyson Simpson, Pauline Jones, 2023-05-18 Taking a dialogic approach this edited book engages in analysis and description of dialogic discourse in a number of different educational contexts from early childhood to tertiary with an international team of contributors from Australia Finland New Zealand and the United Kingdom The chapters focus mostly on dialogic face to face discourse with some examples of online interactions and feature insights from educational linguistics particularly the work of Michael Halliday While the contributors come from a range of theoretical backgrounds they all share an interest in language in use and engage in close analysis of transcripts of naturally occurring interaction Taking inspiration from Alexander and other theorists they employ a fine grained and analytic approach to the exploration of their data The authors make use of the linguistic tools and models of language in society in order to examine the turn by turn unfolding of the interaction The authors relate their insights from disparate forms of linguistic analysis to elements of Alexander's 2020 dialogic framework situating the discourse in its contexts and discussing the pedagogical implications of the linguistic choices at play In presenting this work from a range of situations and perspectives the authors strive to demonstrate how dialogic discourse plays out in educational contexts across the world The book aims to foster further research in this direction and to inspire educators to explore dialogic discourse for themselves It will be of interest to a wide audience including literacy researchers linguists teachers and teacher educators as well as graduate students

Lock Me In Kate Simants, 2019-10-03 Intricately plotted beautifully written with great pace truly sympathetic characters and a great twist at the end Harriet Tyce author of *Blood Orange* Shortlisted for the CWA Debut Dagger award

The Reception Year in Action, revised and updated edition Anna Ephgrave, 2013-08-22 The Reception Year in Action will take the understanding of outdoor play teaching and learning to a new level Everyone who is involved with early years education and care should read this book Helen Bilton University of Reading UK This is a fantastic book it shows exactly how an excellent reception class is organised and run There is a clear theoretical underpinning to the practice described and the photos really bring the text alive Margaret Edgington independent early years consultant and trainer Children thrive when a reception class is organised and managed by the adults but led by the children They learn and

develop if they are in a stimulating environment which is carefully organised and when observations are used to support their next steps They take risks and surpass expectations when they have clear routines and boundaries combined with a supportive staff and an enabling environment The Reception Year in Action offers a unique insight into the workings of a highly successful Reception class as it progresses through a complete academic year The book covers all aspects of practice from the organisation of the classroom and garden and the rationale behind this to the routines and boundaries that ensure children are safe happy and therefore able to explore and learn It tracks the events of each month in the year paying particular attention to the environment the role of the adult links with parents children s individual needs and the key areas of learning and development At each stage Anna Ephgrave gives the reason behind each decision and shows what the outcomes have been for the children This revised edition has been updated to show how the methods described complement the revised Early Years Foundation Stage Framework and how the planning system has been received under the new Ofsted framework Key Features include photocopiable pages of planning sheets record keeping sheets sample letters to parents and role play resources also available for download over 150 full colour photographs to illustrate practice lists of resources and materials examples of recorded observations and planning for next steps guidance on what to look for when assessing children s progress Written by an advanced skills teacher who is gaining national recognition for her practice this book provides teachers with the practical ideas and evidence of success to work with confidence in a way that is rewarding manageable and above all best for the children **Theatre Record** ,2005 **Gruffalo's Child** Julia Donaldson,2018-10-09
