The Happy Hooker Goes Hollywood:

Spinegrinder Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today a fan of horror and exploitation movies isn't necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on DAWN OF THE DEAD In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing MYSTICS IN BALI and S S EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense SPINEGRINDER is one man's ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won't care to write about One opinion 8 000 reviews or thereabouts *Marked Women* Russell Campbell, 2006-04-05 Julia Roberts played a prostitute famously in *Pretty Woman* So did Jodie Foster in *Taxi Driver* Jane Fonda in *Klute* Anna Karina in *Vivre sa vie* Greta Garbo in *Anna Christie* and Charlize Theron who won an Academy Award for *Monster* This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present day industry From the woman with control over her own destiny to the woman who cannot get away from her pimp Russell Campbell shows the diverse representations of prostitutes in film *Marked Women* classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy The Happy Hooker for example is the liberated woman whose only goal is to give as much pleasure as she receives while the Avenger a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men The Love Story a common narrative represents the prostitute as both heroine and anti heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions **The Psychotronic Video Guide To Film** Michael Weldon, 1996 The bible of B movies is back and better than ever From *Abby Cadabby* to *Zontar* this book covers more than 9 000 amazing movies from the turn of the century right up to today's Golden Age of Video all described with Michael Weldon's dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan *New York*, 1989
