letter but didn't know how to approach the subject at the very end I wrote By the way I got married too in the meantime This didn't sit very well with my Mother my Dad told me that she cried for a couple of weeks We decided to have our honeymoon in Germany in order to introduce my lovely wife and see my family It was a lot of fun visiting my parents and relatives Some had vineyards and wine cellars and it was very enjoyable to sample their produce After Carol learned a bit of German we visited other parts of Germany too Back home again I found a new job in Honeymoon Bay and I worked there till the mill shut down in 1981 In the meantime we bought some lakefront property and built a small cabin Later on I saw some acreage for sale Carol and I went over it and decided to buy it This land became our home stead we cleared the land built a small sawmill and raised three children there We also raised rabbits chickens geese and ducks We had some funny moments with our animals Nadine our oldest daughter was learning to play the tuba in school and brought the instrument home occasionally We had free ranging chickens at the time and she would play for them near the chicken house The chickens would stand around her in a circle and listened with full attention In 1981 the mill shut down and the company arranged for a welding course for any employee that wanted to participate I did and found that I really enjoyed welding This allowed me to build all kinds of machines some of which can be seen in the picture section of this book I included the recipe for OSM organic soil microbes in this edition Here are some reader's comments The book is well put together easy to read and hard to put down This is awesome thank you for sharing it with us **The Harrowsmith Country Life Reader** Harrowsmith,1990 This anthology of articles from Harrowsmith magazine includes recipes gardening tips skills for self reliant living as well as suggestions for building solar additions and Adirondack chairs *Harrowsmith* ,1989 The Multiversa Strategy Penelope Oaks Colville,1999 Self instructional multi media kit on recovering from chronic fatigue and other modern diseases The Harrowsmith Northern Perennials Handbook Patrick Lima,1988
