Haynali, 2004-12-14 The Teaser Carolyn started this journey by keeping a daily journal and from that her poetry started to flow and now a book *The gift of writing these poems* came out of the long lonely journey with her husband Chuck who had Alzheimer s The poems speak of the love the struggles and the heartaches that a caregiver has to go through taking care of a loved one I was not a writer but felt inspired to write my feelings as it helped me get through the days and the years ahead I was able to lose myself and get lost for a time in my writings I pray that you can gain some understanding and comfort as you read these poems **Lippincott's Monthly Magazine** ,1901 **The Heart Has Wings** Faith Baldwin, 1948 [A History of the Heart](#) Ole Martin Høystad, 2009-05-01 A fascinating investigation into the heart the locus of grief joy and power through human culture history myth and science **The Beginner's Guide to Fasting** Elmer L. Towns, 2011-08-16 God created the human body as a finely tuned instrument of enormous power but it requires fuel to operate To make sure the body gets enough fuel God created in us an appetite for food which we call hunger So why would we ever ignore our hunger and choose not to eat Going without food for spiritual reasons is called fasting a spiritual dis *Annual Session of the Baptist Congress* ,1890 *The Sufi Message of Hazrat Inayat Khan: The Unity of Religious Ideals* Hazrat Inayat Khan, 2020-09-28 We often confuse unity with uniformity In reality it is the spirit of unity which creates uniformity for the sake of its beauty and protection it gives Throughout all ages both have existed unity as the inner nature of every soul and the only purpose of life and uniformity to help to fulfill that purpose Unity is the goal and uniformity the means to reach that goal but often the means has obscured the purpose All through the ages the different religions which have been given to man for his spiritual development with the sole idea of unity have gradually become a kind of community or nationality Many people who belong to a Church accept its dogmas claim a certain name for their religion and consider all other children of God as separate by doing so they lose the very seed of wisdom for whose development that religion was given This error has existed from the beginning so that instead of touching the true spirit people have lost reality by seeking a false objective Religious differences have caused endless wars and disasters for the human race The reason of this is that the spirit of unity has not been recognized while undue regard has been paid to uniformity In the present age when the spirit of religion is at

its lowest ebb and only the uniformity remains divisions of classes and discords of all kinds spring up one party one class against another the spirit of rivalry jealousy and destruction everywhere The effect of this has been to keep man away from the consciousness of God Very few indeed recognize Him all humanity is laboring under a great unrest and yet man thinks he is progressing while all the time he only progresses towards still greater unrest There can never be true progress when nations and kingdoms and peoples are divided for when the races are divided then subdivisions come and classes and parties also become divided The same spirit of destruction is at work all the time and even families become separated Unity seems to be rooted out from the hearts of men *The Sufi Message of Hazrat Inayat Khan: The Gathas* Hazrat Inayat

Khan,2020-09-28 There is a remarkable phrase in the Bible here it says Eat My flesh and drink My blood says Christ What does He mean by saying this He means in the first place that what a living being loves most is his food what he loves most he eats It has been proved in ferocious and dreadful famines by people eating their own children that food is dearer than their own child The word of Christ therefore Find out what it is in Me that you love which may become your nourishment which may become your food It is not this My flesh and blood this will not be sufficient to satisfy your appetite There is another part of My being which is in abundance and can nourish My numberless devotees Therefore before trying to eat My flesh and blood try to find out on what plane I really exist and what is My true being The lives of all the great saints show that not only their adversaries and opponents but also their near and dear friends have proved to be among their worst enemies There is a creature which loves its mate so much that it eats it Now as to the question what it is that Christ speaks of as his flesh and blood His flesh is the knowledge of God and His blood is the love of God because it is love that has a tendency so to speak to excite the circulation and it is knowledge which has the tendency to strengthen making man firm of which flesh is the symbol One thing without the other would be abnormal For instance flesh without blood or blood without flesh both are not normal conditions What gives normal health to the body and to the soul is flesh and blood both In the religious custom of the sacrament of bread and wine it is this secret which is symbolically expressed Flaming the Heart with Sayings and

Thoughts Joe Cervantes,2017-12-14 Passion is a desire that goes back to the Garden of Eden and ends with the apostle John and its always powerful If there is anyone who can know about love its God With so much purity from Gods Word we are enlightened and yet discouraged at times by our surroundings As for Gods people were to have the desire to love one another deeply as we try to wear love wherever we go We are told to love and never give up and whatever we do its to be done in love So how do we guard our hearts What do we aim at and why When there is wisdom and knowledge and understanding and combined together we reach a higher level of joy and excitement With love there are moments in which we are at our lowest because of misunderstanding Thats when God sends his love and his people to give us some powerful truth and insights Its the love that we have for our family and friends May this book be the moment for which were created to inspire exhort and discipline the heart to set it on fire and multiply with more truth Theres so many powerful thoughts in this book of important

reminders and clever comments So let the flames begin within our hearts Lets change this world of ours with some powerful insights within this book I sincerely believe its impossible for you not to find some thoughts thats not going to be beneficial to inspire your life The Heart James Peto,2007-01-01 Published to mark the opening of Wellcome Collection this book

The School of the Heart ... By F. Quarles Or Rather Adapted from B. Van Haeften's "Schola Cordis" by C. Harvey . In 47 Emblems. To which is Added The Learning of the Heart by the Same Author. Edited by C. E. De Coetlogen Francis Quarles,1812 Gerard Manley Hopkins and His Poetics of Fancy Kumiko Tanabe,2015-09-10 This book explores the poetics of fancy in the works of Gerard Manley Hopkins a term often paired with imagination in well known Romantic poetics It sheds new light on this concept which is described positively in Hopkins s poetics and later becomes the essence of his idiosyncratic concept of inscape as shown here Chapter One discusses the influence of Coleridge and Ruskin on Hopkins s poetics of fancy Hopkins s experiments in the language of inspiration produced by fancy before his conversion to Catholicism his idea of inscape as revealed by fancy and the relation between his fancy and the aesthetics of Romantic poets such as Keats and Wordsworth Chapter Two focuses on the concept of fancy in Hopkins s predecessors William Shakespeare and Alfred Lord Tennyson who along with Coleridge and Ruskin had a major influence on the writer leading him to pen the play *Floris in Italy* and the sonnet series *The Beginning of the End* in order to experiment with the language of inspiration which he argued only fancy could produce This chapter also discusses Hopkins s interest in J E Millais and the impact of the Pre Raphaelites in the development of his poetics of fancy Hopkins s fancy as metalanguage the contrast between his fancy and the impressionism of Walter Pater and the role of fancy in Hopkins s sonnets Chapter Three treats Hopkins s conversion to Catholicism and his views on Catholic art including his interest in

William Butterfield and the Gothic Revival as well as the abrupt parallelism between Christ and fancy in The Wreck of the Deutschland Hopkins's poetic diction is a condensed evocation of art and nature with fancy as the source of his inspiration His metaphors are not ordinary figures expressing the attributes of things but are autonomous and have their nature within themselves Hopkins's poetic idiosyncrasy is generated by the parallelism between distinctive and autonomous images which repeat the surprise and ecstasy of the poet contemplating art and nature He endeavoured to achieve the poetry of inspiration with his emphasis on fancy as the basis of his poetic diction so as to reinstate it as the source of a new Realism Hopkins's fancy foregrounds the discontinuous nature of a new poetic diction which demonstrates unfettered combinations between autonomous images and signs in metalanguage in advance of semiotic literary theories For The Love of God and the Heart of a Woman Annie R. Brown, 2007-06-18 Shane an immortal being gives his love for a woman Alicia and for the love of his God The two meet in a park on earth It was love at first sight After becoming friends Shane disappeared without any notice She was never able to forget him Her life continued on earth After their separation Alicia meets in a serious accident and is transported to a world in the afterlife It was heaven known as the World of the Immortals To her surprise she meets Shane in the World of the Immortals The two then embarked upon an adventure together of danger and romance They encounter evil and experience the wholesome love of holiness Their lives were never the same afterwards
