The Nature And Character Of God:

The Nature and Character of God William A. Pratney, Winkie Pratney, 1988 The Nature and Character of God is a topical lexical theological historical and devotional compilation of easy to use scripture references Bible study words significant and recurring questions important philosophical theological and practical applications of core truths and selections of devotional material drawn from centuries of great Christian thought **The Nature and Character of God: Is Every Disaster Really an Act of God** John Brooker, 2020-09-14 This book is an adventure in getting to know the Word which is Christ Jesus The trip begins in Genesis chapter one Moving through our walking away from the position of authority and dominion over this world which God gave us and giving this dominion to Satan We immediately observe the expressed great desire of God for our restoration to sonship and the huge price God was willing to pay to accomplish this feat In creating this path to sonship we see the great LOVE which drove The Father and Jesus to pay all to grant us this position again The actions taken reveal the true nature of both Jesus and our dear Father God Our very lives reveal this love nature in Marriage Grace the Law and the mighty power of God s Word We see also the mighty power of this Word carrying His power as enacted through us as we speak these words in faith binding Satan and releasing healing and saving power changing our circumstances to be as He wills The sovereignty of our God is acted out through us as Christ s body on earth This we see clearly as we walk the pages of His Word John has been a Bible teacher since his teens A desire to see others grow in their understanding and practice of the Word has been the focus of his studies During his early ministry he traveled and spoke for the Full Gospel Business Men s Fellowship and served as a volunteer youth pastor for a large Toronto church The desire for in depth study of the Word led him to participate in distance study achieving an associate degree in theology before cancer interrupted his study God s healing power renewed the desire to teach again hence this first book *The Nature of God* Frankie L. Jackson, 2008-12-09 **What Is the Nature and True Character of God?** John R. A. Smith, 2017-03-26 In this book we are going to explore our conception of what is the Nature of God is and the Character of God Why Because it is how we as children of God born again through Christ believe and see who we are We do this by the word of God and by the guidance of the Holy Spirit But if in the past you have become brain washed into believing misconceptions of the truth and have allowed false teachings and doctrines into your lives Half truths or outright lies then these will affect your faith and stunt your Spiritual growth holding you back in bondage of sin The Holy Spirit wants us to know that this truth of the grace of God is the heart and soul of the Gospels Therefore any negotiation or concession by us is in my understanding offensive to God As there is no true salvation apart from unconditional faith in Christ alone And it is in this area that I and so many other fellow brothers and sisters in Christ have fallen short As we have allowed our understanding of God s word to be corrupted or added to and failed to fully grasp just who and what we are in Christ Let me give you an example So many people blame God for things like the case of a mother and daughter who were kidnapped at gun point driven to a quiet area raped and then

both shot in the back of the head It was a mother and daughter and the daughter died but somehow the mother survived and later she was stating on National TV that God allowed this that for whatever reason God permitted this to happen and somewhere in all this she had a lesson to learn That is an outright lie of Satan My God did not rape and murder those women and almost kill the other My God is a good God Christ Jesus set the example and showed us the way And I defy you to show me in the New Testament anywhere that states He God would do this Satan is blinding people and subtly sitting back and laughing at the sheer garbage selected religious leaders and converts are teaching or been taught and believing Heck for some they are doing his work for him and do not even realise that they have already fallen into unbelief and are going against the truth as your eyes have been taken away from the truth and in doing so your faith is becoming corrupted I agree and state now at the beginning of this book I allowed such misconception of who I am in Christ to enter and control much of my life And that only as I have sought earnestly to draw nearer to God and sought him out that my spiritual eyes to my heart have been opened I know I have a long way to go we all do and yes sickness and huge mountains will undoubtedly arise in my or your life But now I know What is the Nature and True Character of God and who I am in Christ and what is rightfully mine by Gods Love mercy and Grace I am adopted into his family and a brother with Christ my Lord and entitled as such to all the heavenly blessings in Christ Not some or only a tiny portion All means all and I am starting to realise this which the Holy Spirit through the Apostle Paul spoke of in Ephesians and in The New Testament And it is not just I that has this gift of Grace mercy and love We all as born again brothers and sisters in Christ baptised by the Holy Spirit have the very same gift of Grace mercy and love as we are adopted into God s family It is only when you take hold of the truth in your hearts and minds that the truth will set you free So I start this book with truth scriptures to back up my statements and undoubtedly I will come under attack from others who teach different false doctrines and have themselves already fallen into falsehood It is my prayer that your spiritual eyes will be opened and that God will reveal to you the truth And do not say to me John it can t be that simplistic Either you believe in the true word of God or you do not If you believe and are genuinely teaching such then praise be to God

The Angels of God; Their Nature, Character, Ranks and Ministerial Services, as Exhibited in the Holy Scriptures Thomas TIMPSON,1845 *The Nature and Character of God* Corbett Gaulden,2016-02-01 Before anything else was GOD is When all else ceases to have being GOD will be This is the simple yet profound premise behind Dr Corbett Gaulden s brief treatise on GOD the Father In four short but insightful chapters he examines certain aspects of the nature and character of GOD as revealed in the specific attributes of His existence His authority and His love Fundamentally GOD is first in all things He is first in existence and by and through Him all else exists As Father GOD is first in precedence though not in essence over JESUS His Son As to authority GOD s authority is original authority all other authority in the spiritual or natural realms is derived or delegated authority received from GOD As to love GOD is love all love originates in and emanates from GOD His love is universal yet individual particular and reciprocal as modeled in the love demonstrated

between GOD the Father and JESUS the Son Existence authority and love originate in GOD the Father and as He sees fit emanate from Him to whomever He chooses The Nature, Necessity and Character of True Repentance Zachary Crofton,C. Matthew McMahon,2016-10-13 When you finish reading this practical work by Zachary Crofton on biblical repentance you might say to yourself I ve never repented That s the kind of impact he is going to have on you if you read this work even in a cursory manner In order to have a deeper walk with Christ repentance is at the heart and life of the sinner who walks comfortably with God However repenting reordering and realigning your fallen mind to sit in connection with God s will is not as simple as praying a prayer as some would have you believe Crofton says that repentance is a sense of and sorrow for sin as committed against God The sinner must spread himself before the Law of God to survey the entire course of his own life He needs to weigh himself in the balance of God s perfection The Gospel sinner knows he is imperfect and in view of God s Law which shows him his sin he comes away not just lacking in some spiritual and moral goodness but sees the utter viciousness of his nature against God s prescription for holiness He then sentences himself as accursed of God agreeing that the Law is right and good and he knows that he is bound to experience God s Divine fury for his sin in hell by God s justice which is just and good He not only sees that he is a true sinner before God but sorrows under his understanding of sin and is ashamed of such a sad and sinful state He comes to learn that repentance is a supernatural gift given to him from God and that he must turn from sin and confess his sin This kind of repentance is necessary to remove the wrath and judgment of God and to answer the call of the gospel which requires everyone to repent Crofton explains the characteristics of true biblical repentance from 2 Corinthians 7 11 There are eight characteristics that he covers godly sorrow care clearing of ourselves indignation fear vehement desire zeal and revenge against sin And finally Crofton demonstrates 10 points which show how you reader might gain godly repentance completely soaking the sinful heart in the blood of Jesus with great speed and earnestly looking for repentance only at the hands of God This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions **Lectures on important doctrines of the true Christian religion** Samuel Noble,1872 CHRISTIAN THEOLOGY Edward D. The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1
Stephen Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God s attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God s existence and attributes Charnock displays God s attributes not as impersonal

abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more
