The Needleworks Of Francesco Vezzoli:

The Needleworks of Francesco Vezzoli Francesco Vezzoli, Dan Cameron, 2003 Next to his film and video works the needleworks of Milan based artist Francesco Vezzoli constitute a second important artistic output in which the artist deals with the stars and divas of film advertising fashion and TV Through artfully obsessively embroidered portraits Vezzoli explores both the glamour that surrounds celebrities and the loneliness and transience of their fame Queering the Subversive Stitch Joseph McBrinn, 2021-04-08 The history of men's needlework has long been considered a taboo subject This is the first book ever published to document and critically interrogate a range of needlework made by men It reveals that since medieval times men have threaded their own needles stitched and knitted woven lace handmade clothes as well as other kinds of textiles and generally delighted in the pleasures and possibilities offered by all sorts of needlework Only since the dawn of the modern age in the eighteenth and the nineteenth centuries did needlework become closely aligned with new ideologies of the feminine Since then men's needlework has been read not just as feminising but as queer In this groundbreaking study Joseph McBrinn argues that needlework by male artists as well as anonymous tailors sailors soldiers convalescents paupers prisoners hobbyists and a multitude of other men and boys deserves to be looked at again Drawing on a wealth of examples of men's needlework as well as visual representations of the male needleworker in museum collections from artist's papers and archives in forgotten magazines and specialist publications popular novels and children's literature and even in the history of photography film and television he surveys and analyses many of the instances in which needlemen have contested resisted and subverted the constrictive ideals of modern masculinity This audacious original carefully researched and often amusing study demonstrates the significance of needlework by men in understanding their feelings agency identity and history Francesco Vezzoli Francesco Vezzoli, Marcella Beccaria, 2002 This volume examines the work of Francesco Vezzoli Vezzoli creates video works and needlepoints that bring together pop culture icons auteur cinema art history fashion kitsch and camp *Frieze Art Fair* Frieze, 2004-11-13 London's Frieze Art Fair is now one of the world's leading contemporary art fairs Organized by the influential contemporary art magazine of the same name and successfully launched in 2003 it has been called one of the very best fairs for contemporary art This annual event brings together the 200 most dynamic contemporary galleries in the world with each nominating three of their most exciting artists creating an exhibition of more than 300 artworks From established stars like Damien Hirst and Jeff Koons to unheralded emerging talent the fair provides an intriguing snapshot of the global contemporary art scene This catalogue of the fair documents all the works exhibited Each artist's entry includes an image of their work a short article a biography and a bibliography An index and resource section will reference all the artists and galleries involved This comprehensive record of an important international art event will be an essential reference for collectors dealers curators and fans of contemporary art **Dalí** **Dalí Featuring Francesco Vezzoli** Francesco Vezzoli, Salvador Dalí, 2009 Salvador Dalí and Francesco Vezzoli played and
