## **The New Jews:**

The New Jewish Leaders Jack Wertheimer, 2011-12-13 A riveting study of a generational transition with major implications for American Jewish life      **The Jew's Body** Sander Gilman, 2013-01-11 Drawing on a wealth of medical and historical materials Sander Gilman sketches details of the anti Semitic rhetoric about the Jewish body and mind including medical and popular depictions of the Jewish voice feet and nose Case studies illustrate how Jews have responded to such public misconceptions as the myth of the cloven foot and Jewish flat footedness the proposed link between the Jewish mind and hysteria and the Victorians irrational connection between Jews and prostitutes Gilman is especially concerned with the role of psychoanalysis in the construction of anti Semitism examining Freud's attitude towards his own Jewishness and its effect on his theories as well as the supposed objectiveness of psychiatrists and social scientists      **The Jews and Their Future** Esther Benbassa, Jean-Christophe Attias, 2004-09-18 Esther Benbassa and Jean Christophe Attias pose a number of controversial questions that challenge prevailing myths and attitudes about Judaism upsetting conformist discourses and received ideas What if the Jews were not the descendants of the Hebrews What if the Jewish Book was more the Talmud than the Bible What if medieval judeophobia could not be identified with modern anti Semitism What if orthodoxy was not a return to cultural origins but a new creation What if Zionism had succeeded precisely thanks to its failures What if the time had come to stop denying the tensions between Israel and the Diaspora Between Ashkenazis and Sephardis Between fundamentalists and liberals And what if in particular the transformation of the memory of the Holocaust into a civil religion was now the main barrier to the universalism that with exile and the celebration of life has always been the heart of Jewish experience This provocative and illuminating dialogue explores the very foundations of Jewish culture with the spirit of inquiry and freedom of thought the authors believe will invigorate current debates      **Meir Kahane** Shaul Magid, 2023-08-08 The life and politics of an American Jewish activist who preached radical and violent means to Jewish survival Meir Kahane came of age amid the radical politics of the counterculture becoming a militant voice of protest against Jewish liberalism Kahane founded the Jewish Defense League in 1968 declaring that Jews must protect themselves by any means necessary He immigrated to Israel in 1971 where he founded KACH an ultranationalist and racist political party He would die by assassination in 1990 Shaul Magid provides an in depth look at this controversial figure showing how the postwar American experience shaped his life and political thought Magid sheds new light on Kahane's radical political views his critique of liberalism and his use of the grammar of race as a tool to promote Jewish pride He discusses Kahane's theory of violence as a mechanism to assure Jewish safety and traces how his Zionism evolved from a fervent support of Israel to a belief that the Zionist project had failed Magid examines how tradition and classical Jewish texts profoundly influenced Kahane's thought later in life and argues that Kahane's enduring legacy lies not in his Israeli career but in the challenge he posed to the liberalism and assimilatory project of the postwar American Jewish establishment This incisive book shows how

Kahane was a quintessentially American figure one who adopted the radicalism of the militant Left as a tenet of Jewish survival **Orientalism, Gender, and the Jews** Ulrike Brunotte, Anna-Dorothea Ludewig, Axel Stähler, 2014-12-16 Originating in the collaboration of the international Research Network Gender in Antisemitism Orientalism and Occidentalism RENG00 this collection of essays proposes to intervene in current debates about historical constructions of Jewish identity in relation to colonialism and Orientalism The network's collaborative research addresses imaginative and aesthetic rather than sociological questions with particular focus on the function of gender and sexuality in literary scholarly and artistic transformations of Orientalist images RENG00's first publication explores the ways in which stereotypes of the external and internal Other intertwine With its interrogation of the roles assumed in this interplay by gender processes of sexualization and aesthetic formations the volume suggests new directions to the interdisciplinary study of gender antisemitism and Orientalism **Jews and Jewish Education in Germany Today** Eliezer Ben-Rafael, Olaf Glöckner, Yitzhak

Sternberg, 2011-02-14 In the context of their recent dispersion Russian speaking Jews have become the vast majority of Germany's longstanding Jewry An entity marked by permeable boundaries they show commitment to world Jewry including Israel but feeble identification with their hosts While Jewish singularity is understood here more as belonging than believing Jewish education is viewed as a must **The Jewish Community of Acre in Mandatory Palestine** Anat Kidron, Shuli Linder Yarkony, 2024-05-20 For a brief moment in the history of Acre there was a Hebrew community that linked old and new settlements It had a national Zionist orientation and consisted of Jews of local and Mizrahic origin This community is no longer visible in the cityscape and its history has disappeared from the collective Zionist memory but it played a role in building the Jewish national community in Palestine The unusual history of Acre shows how it succeeded in attracting new nationalist settlers The book seeks to illuminate the complexity and diversity of the Zionist enterprise in relation to the Arab and mixed towns of Mandatory Palestine by raising questions about the relationship between the history of a place and national history By describing the failure of the Hebrew settlement in the Mandate territory of Acre the book views the Zionist project as a fascinating intersection between the dreams of those who created the leading narratives and between local interests and the unique geographical conditions of the region **Jews in American Politics** Sandy L.

Maisel, 2001-09-04 Brings together a complete picture of the past present and future of Jewish political participation

**Jewish Masculinities** Benjamin Maria Baader, Sharon Gillerman, Paul Lerner, 2012-07-18 Stereotyped as delicate and feeble intellectuals Jewish men in German speaking lands in fact developed a rich and complex spectrum of male norms models and behaviors Jewish Masculinities explores conceptions and experiences of masculinity among Jews in Germany from the 16th through the late 20th century as well as emigrants to North America Palestine and Israel The volume examines the different worlds of students businessmen mohels ritual slaughterers rabbis performers and others shedding new light on the challenge for Jewish men of balancing German citizenship and cultural affiliation with Jewish communal solidarity

religious practice and identity
