Super Bitches and Action Babes Rikke Schubart, 2014-08-23 With actress Pam Grier's breakthrough in *Coffy* and *Foxy Brown*, women entered action, science fiction, war, westerns, and martial arts films, genres that had previously been considered the domain of male protagonists. This ground-breaking cinema, however, was and still is viewed with ambivalence. While women were cast in new and exciting roles, they did not always arrive with their femininity intact, often functioning both as a sexualized spectacle and as a new female hero rather than a female character. This volume contains an in-depth critical analysis and study of the female hero in popular film from 1970 to 2006. It examines five female archetypes: the dominatrix, the Amazon, the daughter, the mother, and the rape avenger. The entrance of the female hero into films written by, produced by, and made for men is viewed through the lens of feminism and post-feminism arguments. Analyzed works include films with actors Michelle Yeoh and Meiko Kaji, the *Alien* films, the *Lara Croft* franchise, *Charlie's Angels*, and television productions such as *Xena: Warrior Princess* and *Alias*.

These Fists Break Bricks (Revised and Expanded Edition) Grady Hendrix, Chris Poggiali, 2025-07-08 From New York Times bestselling author Grady Hendrix and film historian Chris Poggiali comes the full story of how kung fu movies came to and conquered America in this revised and expanded edition. When a Hollywood studio released *Five Fingers of Death* to thrill-seeking Times Square moviegoers in 1973, only a handful of Black and Asian audience members knew the difference between an Iron Fist and an Eagle's Claw. That changed overnight as *Five Fingers* kicked off a kung fu craze that would earn millions at the box office, send TV ratings soaring, influence the birth of hip hop, reshape the style of action we see in movies today, and introduce America to some of the biggest Asian stars to ever hit motion picture screens. *These Fists Break Bricks* offers a lavishly illustrated exploration of how these high-kicking brick-breaking movies came to America and raised hell until greed, infomercials, and racist fearmongering shut them down. For the first time, the full and wild story is told, including how CIA agents secretly funded karate movies and how The New York Times fabricated a fear campaign about Black karate gangs, as well as the history of Black martial arts in America and the onslaught of Bruce Lee imitators after his death. With a foreword by RZA of the Wu Tang Clan and brand new material on superstars like Jackie Chan, Michelle Yeoh, and Donnie Yen, plus spotlights on unsung performers, film poster artists, and money laundering film distributors, this revised and expanded edition is a master class in kung fu cinema history.

**Quentin Tarantino** Gerald Peary, 2013-11-01 Here in his own colorful, slangy words is the true American Dream saga of a self-proclaimed film geek with five intense years working in a video store who became one of the most popular, recognizable, and imitated of all filmmakers. His dazzling movie-informed work makes Quentin Tarantino's reputation from his breakout film *Reservoir Dogs* (1992) through *Kill Bill Vol. 1* (2003) and *Kill Bill Vol. 2* (2004), his enchanted homages to Asian action cinema, to his rousing tribute to guys on a mission, *World War II* movie *Inglourious Basterds* (2009). For those who prefer a more mature, contemplative cinema, Tarantino provided the tender, very touching *Jackie Brown* (1997), a masterpiece *Pulp Fiction* (1994), a delightful mash of unabashed

exploitation and felt social consciousness his latest opus *Django Unchained* 2012 From the beginning Tarantino b 1963 affable open and enthusiastic about sharing his adoration of movies has been a journalist s dream Quentin Tarantino Interviews revised and updated with twelve new interviews is a joy to read cover to cover because its subject has so much interesting and provocative to say about his own movies and about cinema in general and also about his unusual life He is frank and revealing about growing up in Los Angeles with a single half Cherokee mother and dropping out of ninth grade to take acting classes Lost and confused he still managed a gutsy ambition young Quentin decided he would be a filmmaker Tarantino has conceded that Ordell Samuel L Jackson the homicidal African American con man in *Jackie Brown* is an autobiographical portrait If I hadn t wanted to make movies I would have ended up as Ordell Tarantino has explained I wouldn t have been a postman or worked at the phone company I would have gone to jail

**Hollywood Ending** Ken Auletta, 2022-07-12 A vivid biography of Harvey Weinstein how he rose to become a dominant figure in the film world how he used that position to feed his monstrous sexual appetites and how it all came crashing down from the author who has covered the Hollywood and media power game for *The New Yorker* for three decades Twenty years ago Ken Auletta wrote an iconic *New Yorker* profile of the Hollywood mogul Harvey Weinstein who was then at the height of his powers The profile made waves for exposing how volatile even violent Weinstein was to his employees and collaborators But there was a much darker story that was just out of reach rumors had long swirled that Weinstein was a sexual predator Auletta confronted Weinstein who denied the claims Since no one was willing to go on the record Auletta and the magazine concluded they couldn t close the case Years later he was able to share his reporting notes and knowledge with Ronan Farrow he cheered as Farrow and Jodi Kantor and Megan Twohey finally revealed the truth Still the story continued to nag him The trail of assaults and cover ups had been exposed but the larger questions remained What was at the root of Weinstein s monstrousness How and why was it never checked Why the silence How does a man run the day to day operations of a company with hundreds of employees and revenues in the hundreds of millions of dollars and at the same time live a shadow life of sexual predation without ever being caught How much is this a story about Harvey Weinstein and how much is this a story about Hollywood and power In pursuit of the answers Auletta digs into Weinstein s life searching for the mysteries beneath a film career unparalleled for its extraordinary talent and creative success which combined with a personal brutality and viciousness to leave a trail of ruined lives in its wake *Hollywood Ending* is more than a prosecutor s litany it is an unflinching examination of Weinstein s life and career embedding his crimes in the context of the movie business in his failures and the successes that led to enormous power Film stars Miramax employees and board members old friends and family and even the person who knew him best Harvey s brother Bob all talked to Auletta at length Weinstein himself also responded to Auletta s questions from prison The result is not simply the portrait of a predator but of the power that allowed Weinstein to operate with such impunity for so many years the spiderweb in which his victims found themselves trapped
