great things about the Tarot is that it's symbolic. Since the unconscious works through symbols it speaks to you. Just working with the Tarot helps you to evolve especially when you understand the Tarot's spiritual truths. In order to work with the cards the book shares five different readings you can do. As an added bonus the book also deals with the difficult subject of proximity relating the cards in a spread to each other as opposed to just their positions in the spread. This can enhance your readings on your quest for spirituality.
