Six Presidents From The Empire State:

Six Presidents from the Empire State Harry Joseph Sievers, 1974 Essays discuss the six Presidents from New York State Martin Van Buren Millard Fillmore Chester Alan Arthur Grover Cleveland Theodore Roosevelt and Franklin Delano Roosevelt

A Companion to the Antebellum Presidents, 1837 - 1861 Joel H. Silbey, 2014-02-24 A Companion to the Antebellum Presidents presents a series of original essays exploring our historical understanding of the role and legacy of the eight U S presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United States history The Environmental Presidency Dennis L. Soden, 1999-09-16 Examines how the modern presidency has responded to environmental concerns Jacksonian America Edward Pessen, 1978 A perennial choice for courses on antebellum America Jacksonian America continues to be a popular classroom text with scholars of the period even among those who bridle at Pessen s iconoclastic views of Old Hickory and his inegalitarian society **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 *The Presidency of Martin Van Buren* Major L. Wilson, 1984 Martin Van Buren eighth president of the United States has been judged harshly by some historians as a politician by trade and a spoilsman without principles a little magician who was interested only in his own advancement This volume provides a thorough recounting of the events and decisions of Van Buren s White House years 1837 1841 and adds to the positive reappraisal of Van Buren as an able statesman and effective chief executive Wilson stresses that Van Buren faced the major problems of his presidency with courage and consistency and that he brought repose to a nation wrenched both by sectional differences and by the violent fluctuations of economic expansion and contraction Wilson discusses Van Buren s close relationship with Andrew Jackson and substantially qualifies the persistent interpretation of the Van Buren presidency as the third term of Jackson Van Buren a pragmatic Jeffersonian with a statesmanlike concern for order reversed Jackson s priorities Wilson describes how Van Buren resolved the crisis with Mexico and succeeded in keeping peace with Britain at a time when incidents arising out of rebellion in Canada and the disputed Maine boundary might have precipitated war The most distinctive contribution of this volume is its in depth analysis of the economic and political aspects of Van Buren s domestic policy especially the Independent Treasury the issue that gave basic shape to his entire presidency Jackson had divorced the Treasury from the national bank Van Buren took one further step and rendered the operations of the Treasury independent of the state banks as well By the end of his term debate on the

issues of currency and enterprise had brought the second party system in the U S to maturity In 1840 Van Buren s views in this area would cost him reelection This study sheds lights on a turbulent period in American history and contributes to our understanding of Martin Van Buren s achievements He kept the nation out of war reduced sectional tensions and established the basis for a fiscal policy which he believed would bring greater stability to economic development Vice Presidents of the United States 1789-1993 ,1997 **Classical Hollywood Comedy** Kristine Brunovska Karnick, Henry Jenkins, 1995 Applies the recent return to history in film studies to the genre of classical Hollywood comedy as well as broadening the definition of those works considered central in this field **Martin van Buren and the American Political System** Donald B. Cole, 2014-07-14 Donald Cole analyzes the political skills that brought Van Buren the nickname Little Magician describing how he built the Albany Regency which became a model for political party machines and how he created the Democratic party of Andrew Jackson Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Presidents of the United States--their Written Measure* James Saylor, 1996 Restoring Women's History Through Historic Preservation Gail Lee Dubrow, Jennifer B. Goodman, 2003-01-28 This essay collection draws upon work presented at three national conferences on women and historic preservation held at Bryn Mawr College in 1994 Arizona State University in 1997 and at Mount Vernon College in 2000 America's First River Thomas S. Wermuth, James M. Johnson, Christopher Pryslopski, 2009-09-25 Examines the many facets of the Hudson s rich history distinctive regional culture and important contributions to the development of modern America Since its inception in 1984 The Hudson River Valley Review has taken an eclectic and interdisciplinary approach to a region that has long been recognized for its role in American colonial history its important contributions to American arts letters and architecture its role in the economic development of the nation and its significant and ongoing contributions to American culture and history This collection of essays brings together eighteen of the best essays from the Review s first twenty five years of publication From natives and newcomers to twentieth century leaders the authors of these essays examine the many facets of the Hudson s rich history distinctive regional culture and important contributions to the development of modern America Cataloging and Classification Lois Mai Chan, Theodora Hodges, 2007 Cataloging and Classification Third Edition is a text for beginning students and a tool for practicing cataloging personnel All chapters have been rewritten in this latest edition to incorporate recent developments particularly the tremendous impact metadata and the Web have had on cataloging and classification *The Government of the United States* William Bennett Munro, 1925 **Roosevelt: The Lion and the Fox (1882-1940)** James MacGregor

Burns,2012-05-08 A brilliant full length portrait of Franklin Roosevelt the politician the first in an award winning two volume biography The Christian Science Monitor Franklin Delano Roosevelt was the longest serving president in United States history reshaping the country during the crises of the Great Depression and World War II But before his ascension to the presidency FDR laid the groundwork for his unprecedented run with decades of canny political maneuvering and steady consolidation of power In this remarkable New York Times bestselling biography Pulitzer Prize winning historian James MacGregor Burns traces FDR s rise and the peculiar blend of strength and cunning that made him such a uniquely transformative figure Weaving together lively narrative and impressive scholarship Burns reconstructs his youth and education at Groton and Harvard his relationships with his cousins Theodore and Eleanor his immersion in New York State politics and his rise to national prominence all the way through his first two terms as president which saw the historic New Deal take hold and the drumbeats of World War II begin Originally published in 1956 The Lion and the Fox was among the first studies of Roosevelt and it remains a landmark record of his ambitions talents and flaws Hailed by the New York Times as a sensitive shrewd and challenging book and by Newsweek as a case study unmatched in American political writings Burns s stunning achievement is the life story of a fascinating political figure **A First-Class Temperament** Geoffrey C. Ward,2014-09-09 In this classic of American biography based upon thousands of original documents many never previously published the prize winning historian Geoffrey C Ward tells the dramatic story of Franklin Roosevelt s unlikely rise from cloistered youth to the brink of the presidency with a richness of detail and vivid sense of time place and personality usually found only in fiction In these pages FDR comes alive as a fond but absent father and an often unfeeling husband the story of Eleanor Roosevelt s struggle to build a life independent of him is chronicled in full as well as a charming but pampered patrician trying to find his way in the sweaty world of everyday politics and all too willing willing to abandon allies and jettison principle if he thinks it will help him move up the political ladder But somehow he also finds within himself the courage and resourcefulness to come back from a paralysis that would have crushed a less resilient man and then go on to meet and master the two gravest crises of his time **Campaigning for President in America, 1788-2016** Scott John Hammond,Robert North Roberts,Valerie A. Sulfaro,2016-04-25 What does it take to get elected president of the United States leader of the free world This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century The race for the presidency encapsulates the broader changes in American democratic culture This book provides insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century Readers will be able to see and understand how presidential campaigns have evolved over time and how and why the current state of campaigning for president came into being The Literary Digest ,1916 **Digest** ,1916 Literary Digest ,1916
