Sixth Sense Faith:

The Sixth Sense... Faith John Osteen, 1980-05-01 Faith the Sixth Sense Ability Hamandishe, 2016 **FAITH YOUR SEVENTH-SENSE** HUMPHREY O. AKPARAH, 2014-04

Faith Your Seventh Sense We are at our best and we are happiest when we totally engage our Seventh Sense toward the realization of the goals and dreams that we have set for ourselves It gives purpose and assurance to our efforts and peace of mind to our souls It makes life worthwhile worth living wonderful and fulfilled Your FAITH is your Seventh Sense Faith is a powerful sense ability and motivational word combined It is a tested truth and contains principles by which any one may succeed in any endeavor depending on your own definition of success Faith is a success button It is such an amazing gift that so many people neglect out of ignorance Faith is the compass of the soul Faith is the lifeline of all humans without it fear doubt anxiety unbelief sickness and failure are the alternatives A strong faith is an antidote against stress fear sickness and failure Faith is the mother of all achievements Living a fulfilled life would be almost impossible without a well developed faith ability And you cannot overcome any of your fears whether it is the fear of failure death poverty sickness criticisms personal insecurities etc until you begin to apply the principles and powers of your faith With the added advantage of a vibrant faith ability you stand taller in the spirit than those who only rely on the five senses You will discover the amazing power of your faith after reading this book Your faith will rise to action oriented and problem solving levels You will also receive a faith that potentially destroys fears generates miracles and changes situations This is because faith is a developed ability and a conditioned state of mind to trust and not doubt It is a life support and life sustainer in times of adversity You could do more for yourself through the power of your faith than a million dollars would You are richer than you think through faith and poorer than you imagined without it Faith your 7th Sense ability

How Should We Then Live? Jay R. Leach, 2010-07-21 Many churches today have become ineffective to the kingdom of God because they no longer obey the mandate from our Lord Jesus Christ While many churches are boasting about numbers and membership the actual purpose of the Christian church making disciples seems to have gotten lost or overlooked Using illustrations and down to earth language Jay Leach unlocks practical principles that illustrate the growth of a disciple from rebirth to maturity Not only will we enjoy eternal life in the future but we will enjoy eternal life here and now How By knowing our Lord and Savior Jesus Christ In the Bible knowing carries with it the connotation of intimacy To enjoy eternal life now we must have a knowing and intimate relationship with Christ Relationship and intimacy bring with them the creation of a new nature and purpose of forward movement to a fruitful adult discipleship they also provide a clear understanding of salvation and the process of growing into a mature disciple The church can provide nurture through small groups and other team building ministries but to become a disciple requires a personal commitment How Should We Then Live will explain how to form this very special relationship with Jesus Christ
