Labour Research, 1999 **The Secret History of the Five Eyes** Richard Kerbaj, 2025-01-07 This is the definitive account of the Western world's most powerful but least known intelligence alliance which remains central to the defense of the free world in a dangerously uncertain time The Five Eyes a spy network between the intelligence agencies of the US UK Canada Australia and New Zealand has been steeped in secrecy since its official formation in 1956 Yet the Five Eyes very existence is not legally binding it functions as a marriage of convenience riddled with distrust competing intelligence agendas and a massive imbalance of power that favors the US Richard Kerbaj draws on interviews with intelligence officials world leaders and recently declassified archives to reveal the authoritative but unauthorized stories of the alliance In bypassing the usual censorship channels he tells this extraordinary account of the Five Eyes unlikely cast of characters who played a crucial role in its history and exposes the network's hidden role in influencing global events that continue to shape our daily lives

Vrede en veiligheid, 2000 *A History of the English-Speaking Peoples since 1900* Andrew Roberts, 2010-12-16 Prize-winning British historian tells the story of the English speaking peoples in the 20th century Winston Churchill's *History of the English Speaking Peoples* ended in 1900 Andrew Roberts Wolfson History prizewinner has been inspired by Churchill's example to write the story of the 20th century Churchill wrote Every nation or group of nations has its own tale to tell Knowledge of the trials and struggles is necessary to all who would comprehend the problems perils challenges and opportunities which confront us today It is in the hope that contemplation of the trials and tribulations of our forefathers may not only fortify the English speaking peoples of today but also play some small part in uniting the whole world that I present this account As the greatest of all the trials and tribulations of the English speaking peoples took place in the twentieth century Roberts book covers the four world historical struggles in which the English speaking peoples have been engaged the wars against German Nationalism Axis Fascism Soviet Communism and now the War against Terror But just as Churchill did in his four volumes Roberts also deals with the cultural social and political history of the English global diaspora

The Official History of the UK Strategic Nuclear Deterrent Matthew Jones, 2017-05-12 Volume II of *The Official History of the UK Strategic Nuclear Deterrent* provides an authoritative and in-depth examination of the British Government's strategy towards nuclear deterrent from 1964 to 1970 Written with full access to the UK documentary record Volume II examines the nuclear policy of the Labour Government that

took office in October 1964 Having decided to preserve the Polaris programme ministers were nevertheless committed not to develop another generation of nuclear weapons beyond those in the pipeline placing major questions over the long term future of the nuclear programme and collaboration with the United States This book will be of much interest to students of British politics nuclear proliferation and international relations
