

Now you can test your child's reading ability, speed and comprehension, in the convenience of your own home.

You will answer these 10 important questions:

- (1) How well does your child read?
- (2) How fast does your child read?
- (3) How much of what your child reads does he or she understand?
- (4) Does your child backtrack while reading?
- (5) Does your child's mind wander while reading?
- (6) Is your child reading below or above grade level?
- (7) How do your child's reading skills compare with others of the same age?

Features:

- (8) Is your child a functionally slow reader?
- (9) Does your child have a reading problem, and if so, how best can it be solved?

The ultimate reading test is finally here.

At long last, the world's most respected reading authorities have pooled their efforts to create an accurate, extremely effective method for evaluating your child's reading skills.

Here is the first truly comprehensive way to test your child's reading ability and to diagnose any reading problem early in your child's academic career. And here is a pre-tested approach to insure your child's future reading success.

Discovering your child's reading aptitude and ability is so important, in

fact, that Mrs. Evelyn Wood is making this evaluation available to the parents of Los Angeles children free of charge. By simply calling or mailing the coupon now, you will receive a complete "at-home" testing kit, as a gift from Mrs. Evelyn Wood while she is in Los Angeles.

Then, in the privacy and convenience of your own home, you can easily determine your child's level of reading comprehension, speed and natural ability.

Evelyn Wood...

(Mrs. Evelyn Wood, founder of the world-famous Evelyn Wood Reading Dynamics Program, will arrive in Los Angeles on November 16 to launch her new "Operation: R.E.A.D. [Reading Excellence, Acceleration & Development], designed especially for youngsters between the ages of 8 and 15.)

No doubt you are familiar with the highly successful Evelyn Wood Reading Dynamics course, developed by Mrs. Evelyn Wood in 1959. This course has been translated into 16 languages and is now being taught in most countries in the free world. It was taught, on request, to the staffs of both Presidents Kennedy and Nixon.

After devoting her recent years to working with young people, Mrs. Evelyn Wood developed "Operation: R.E.A.D."

And following extensive research and experimentation, she offered this new program to the children of her home community, Salt Lake City, Utah, and then in other medium-sized cities around the country. The response was tremendous—the results overwhelming:

Read what young graduates are now saying.

"This class has helped me quite a bit. Before I took the course, I read one book a month. After taking the course, I now read one book in two days!"

"I was always a slow reader and hated to read because of slow reading ability. Now when I have something to read, I get something out of it!"

Robert Sunberg, Age 12

"I have learned how to study for a test—so now it won't take me an hour to study. I have also learned to spell better!"

Teresa Sunberg, Age 11

"The course has improved my reading comprehension and study habits. Being able to read a book fast is like living the people's lives at the same time they are. I think recall is an excellent idea!"

Kirk Knolton, Age 15

"This class really helped me in reading, pronunciation and spelling. Before I didn't like to read at all because I didn't get the meaning and I couldn't read fast enough!"

Mark Taylor, Age 12
