Tests in English Mariusz Misztal,2004 **Practise Your English** Mariusz Misztal,2008 *Практичний курс англійської мови.* Запума О. Р. та ін., *Curriculum Development for Legal English Programs* Halina Sierocka,2014-06-26

This book provides a systematic introduction to the issues involved in designing and implementing courses of English for Legal Purposes Each chapter highlights a different aspect of the curriculum development process including syllabus design taking into account the special role of needs analysis materials development and the question of assessing and testing languages for special purposes In addition the book provides a brief outline of key concepts in the methodology of English for S

Resources in Education ,2001-10 **Testing the Spoken English of Young Norwegians** Angela Hasselgreen,2005-03-24 This book reports on a two part study the validation of a test of spoken English for Norwegian secondary school pupils and the corpus based investigation of the role played by smallwords such as well sort of and you know in bringing about fluency The first study builds on the Messickian six central aspects of construct validity to produce a practical framework for test validation It identifies potential sources of invalidity in the test being examined particularly relating to fluency The second study sets about to explore the concept of fluency and to expose the extent to which it is acknowledged in the literature to be associated with smallwords albeit under other names The findings from the corpus study are drawn on to propose new elements to include in descriptors of fluency and the implications of the study for classroom practices are discussed *Bridging Cultures: Essential English Proverbs for Chinese Learners* 王德明 DAVID YAO, Bridging Cultures Essential English Proverbs for Chinese Learners Proverbs are short commonly known expressions that convey wisdom truth morals and traditional beliefs in a concise and often metaphorical manner English proverbs have been passed down through generations reflecting the cultural values experiences and common sense of the English speaking world These pithy sayings are integral to the language offering insights and practical advice for everyday situations The beauty of proverbs lies in their brevity and depth encapsulating complex ideas in a few memorable words They are used to teach lessons reinforce norms and provide comfort and guidance in times of uncertainty Whether in conversation literature or public speaking proverbs add a layer of richness and resonance to the message being conveyed Understanding and using English proverbs can enhance one s communication skills providing a way to express ideas vividly and effectively As you delve into the world of English proverbs you will uncover a treasure trove of wisdom that has shaped and continues to shape the way people think speak and live Building a Validity Argument for the Test of English as a Foreign Language™ Carol A. Chapelle,Mary K. Enright,Joan M. Jamieson,2011-04-06 The Test of English as a Foreign Language™ TOEFL is used by more universities worldwide than any other test to assess English language proficiency for academic admission and placement decisions and to guide English language instruction This landmark volume provides a detailed description and analysis of Educational Testing Service s research and development efforts to develop a major revision of the TOEFL test The

result is a book that serves as a case study of test design drawing upon theory in the complex domain of English language proficiency while attempting to meet standards of educational measurement Building a Validity Argument for the Test of English as a Foreign Language™ is distinctive in its attempt to develop a coherent story of the rationale for a test or its revision explain the research and development process and provide the results of the validation process Through its treatment of one test it expands on and tests principles and approaches to educational measurement providing an in depth integrated perspective on the overall process of test revision Moreover because the conceptual foundation and history are presented alongside the empirical studies and validity argument these sometimes disparate areas are presented in a way that demonstrates their connections an approach which represents a departure from or extension of conventional materials on test revision This volume is particularly relevant for professionals and graduate students in educational measurement applied linguistics and second language acquisition as well as anyone interested in assessment issues
