The Consciousneb Revolution:

The Consciousness Revolution Stanislav Grof,1999

The Consciousness Revolutions Shimon

Edelman,2023-04-06 This book is about all things consciousness great and small It starts by pointing to the key characteristic of consciousness without realizing which it cannot be understood like everything else about the mind it is fundamentally a kind of computation Among many other matters this explains how it is that we share some aspects of consciousness with bacteria how it can arise in artificial machines and not just living ones how the empty cocoon of the self that it spins ends up pretending to be the butterfly and how consciousness dooms this virtual butterfly to the splendor and the suffering of being awake and aware Unlike most other books on consciousness this one includes a discussion of some possible ways whereby we pinned like butterflies by our species history and socioeconomic circumstances can awake to our collective predicament and join forces to do something about it It should be of interest to all readers who care about the nature of our lived experience and about our survival which depends on developing critical consciousness of our dire situation and the social dynamics that shape it

The Consciousness Revolution Stanislav Grof,Peter Russell,2003 In this book three pioneers at the cutting edge of Western thought reflect on the chances of peace in the world on how society is changing and on the changes we can make ourselves They consider the roles of art science education goals and values world views religion spirituality and above all consciousness for the state of our consciousness is the key issue underlying almost all others Back cover

The Consciousness Revolution Jen Gordon,2017-10-06 Most of the people walking the earth today are going through life believing a powerful lie This lie takes away our freedom and holds us back from living to our fullest potential What if you have the power to control your life and control your destiny To some of you this may seem like a shocking discovery However the reality is you hold the key to your destiny in your hands You create your fate You are the creator of your world If you have not fully taken the reigns of your life The Consciousness Revolution is here to help In this book author Jen Gordon shares the tools she has learned on her journey to consciousness so you too can take control of you and your world This groundbreaking work is shaking up the traditional views of our human nature by helping us understand we are already whole and don t need anything within us fixed to create the life of our dreams This book is about claiming your power and creating a life that is truly worth living It will show you the love that you are
