Shirer, 2014-10-22 The famous war correspondent delivers an edge of your seat account of the naval chase and battle to take out one of Hitler's most powerful warships The Bismarck wasn

t just any warship Its guns were much stronger and more accurate than any others in its day meaning it could easily sink enemy ships without getting in range of their fire It was one of Hitler s most powerful weapons and the Allied forces had to put it out of commission before they lost the war With the fate of the world in the balance Allied forces chased the Bismarck across the stormy North Atlantic culminating in a thrilling sea battle that changed the course of World War II Unfolding with the taut suspense of a blockbuster movie this book brings the excitement and danger of World War II to younger audiences and demonstrates William L Shirer s mastery as a writer of history and a spinner of tales A book one reads with sustained excitement Kirkus Reviews

The Sinking of the Bismarck Charles River Charles River Editors, 2018-02-22 Includes pictures Includes accounts of the battles and the Bismarck s sinking by sailors on both sides Includes online resources and a bibliography for further reading Includes a table of contents The Bismarck had put up a most gallant fight against impossible odds worthy of the old days of the Imperial German Navy and she went down with her colours flying Vice Admiral John Cronyn Tovey commander of the task force fighting the Bismarck Immensely powerful and thickly armored armed with eight 15 inch guns aimed by one of the most sophisticated target acquisition systems of its day the Third Reich s premier battleship the KMS Bismarck left an indelible trail of legends behind it during its single fatal foray against the British in 1941 Victorious over the HMS Hood prowling the Arctic waters north of England and circling in a desperate effort to evade the Royal Navy and reach the safety of Brest in France the Bismarck s first and last combat voyage lasted a brief total of eight days Though well constructed for the most part and extremely formidable the KMS Bismarck did not represent the world s most powerful battleship at the time subsequent myth making notwithstanding The Americans Italians and indeed the pre invasion French already possessed equal or slightly superior combat craft The Japanese soon produced much stronger vessels Nevertheless Nazi Germany deployed no warship more powerful so the Bismarck s loss caused a disproportionately high loss of German morale and a similar boost to English confidence during one of the darkest periods of the war Naval warfare in 1941 sat on the cusp between the past when battleships and their massive gun batteries ruled the waves and the very near future when aircraft carriers proved stunningly dominant over ships armed only with artillery A single aircraft carrier involved itself in the pursuit and destruction of the Bismarck causing one of the pivotal events of Exercise Rhine through nearly wholly random chance The KMS Bismarck s destruction represented neither a predestined conclusion nor the result of the impending radical change in naval tactics and strategy The Bismarck sailed during the narrow window at the start of World War II when the battleship remained a viable independent instrument of war rather than the mobile defense for aircraft carriers or the floating artillery battery supporting shore operations it became Instead human decisions and pure chance conjoined to result in the Bismarck s destruction Admiral Gunther L tjens overall expedition commander committed several major errors during the operation Towards its end he wallowed in despair failing to carry through on several ruses devised by his subordinates which in the hands of a commander not already resigned to death might have tipped the scale to the Bismarck s survival Both

sides made crucial errors but those of Gunther L tjens proved most decisive As Charles de Gaulle pithily observed Victory often goes to the army that makes the least mistakes not the most brilliant plans The sinking of the Bismarck demonstrated the truth of this aphorism A handful of poor choices at vital turning points on the part of one man L tjens decided the fate of the KMS Bismarck and cost the lives of 2 088 men aboard her or 94 7% of her crew including his own The Sinking of the Bismarck The History of the Battle that Destroyed Nazi Germany s Most Famous Battleship chronicles the demise of World War II s most famous ship Along with pictures of important people places and events you will learn about the Bismarck like never before in no time at all The Sinking of the Bismarck William Lawrence Shirer,2006 Recounts events leading up to and surrounding the May 1941 destruction of the British battle cruiser Hood by the German battleship Bismarck soon followed by the sinking of the German ship by British forces **The Sinking of the Bismarck** William Lawrence Shirer,2006 Recounts events leading up to and surrounding the May 1941 destruction of the British battle cruiser Hood by the German battleship Bismarck soon followed by the sinking of the German ship by British forces *Sink the Bismarck* Tom McGowen,1999-01-01 Describes the actions of the German battleship Bismarck during World War II and the operations of the British navy to destroy this ship Bismarck, Dorsetshire and Memories Ray Lock,craig lock,2015-05-27 I WAS A WITNESS TO THE SINKING OF THE BISMARCK Ray Lock was an eye witness to the sinking of the German battleship Bismarck In these memoirs recalls details of this epic battle as well as many other memoirs from his fascinating life Bismarck Dorsetshire and Memories is another good book produced privately that we are fortunate to be able to read and learn more about a sailor s war A very well presented book nicely printed good quality photographs and most of all very interesting from Warship World Ray Lock a South African tried to join the South African Air Force at the age of 16 as a pilot Told he would have to wait he like many others went to a service that would take him then and there He thought the war would be over by the time he allowed to join the air force Joining the Royal Navy instead he had in fact lots of time to get involved in some well known and some lesser but equally important actions Throughout this book is packed with detail and without doubt will prove of interest to those who like the nitty gritty of Naval Life The author served on DORSETSHIRE prior to the BISMARCK action for some time and until the ships loss in the Indian Ocean where he was wounded Both CORNWALL and DORSETSHIRE were sunk by Japanese aircraft attack The survivors many wounded including Mr Lock were then machine gunned in the water Sighted by an aircraft the group was rescued by HM Ships ENTERPRISE PANTHER and he was personally picked up by PALADIN After extensive recovery time in hospital Mr Lock was selected for Officer Training after which he was seconded again to the Royal Navy Further service in small craft including HDMLs in the Mediterranean with even more operational diversity concluded the author s war This is another good book produced privately that we are fortunate to be able to read and learn more about a sailor s war This one is beautifully presented From Warship World I thoroughly enjoyed reading about the rich and varied life of the author including being an eye witness to the sinking of the

Bismarck Young readers will be especially interested and fascinated by Ray's well written experiences from an earlier generation and the horrors of war.
