According to Luke Ivan Clutterbuck,2000 Amidst the confusion and doubt that the contemporary world casts on our Christian witness a return to the Gospel brings clarity and a sure foundation In the Gospel of Luke we find a model for the Church a model equally valid for each generation Well known for his teaching and preaching skills Ivan Clutterbuck invites us to study the Gospel of Luke as a whole Working through the text from start to finish we understand the full implications of how Jesus preached and organised his kingdom In this Gospel guide we are provided with the latest balanced scholarship on Luke s writing in an accessible form The last thirty years have seen a new concentration on the historical person of Jesus that has overturned much of the speculative biblical criticism of the past that seemed to undermine faith itself Only by concentrating on the teaching and ministry of Jesus so clearly set out by Luke do we find the bedrock of the Christian message Ivan Clutterbuck has been a priest of the Church of England for over sixty years He has served both as an army and naval chaplain and has taught in several public schools From 1966 74 he was Organising Secretary of the Church Union
