chapters you may be interested in The life of most spies is not as glamorous as it is made out to be You may think it is all about high tech and guns and car chases and hot women but that s not the case In the real spy world the techniques boil down to the interpretation of basic human psychology Even though a spy learns several action techniques on how to get out of a dangerous situation including how to withstand torture if he she is resorting to car chases it means they re doing something wrong Spies don t get paid very well Gambling at a casino or flying on a private jet may be part of the job but a spy doesn t get to spend this kind of money on personal expenses Spies cannot disclose the nature of their work to their family and friends to maintain secrecy Many have to live away from home for weeks months even years Married life is a mess as the spouse starts suspecting the spy of having an affair Who can become a spy Do you need a law enforcement police or military background Not really Spies have degrees as diverse as law political science finance economics even professional athletes have become successful spies
