Left Behind in Nazi Vienna, 2015-01-24 In 1938 when Hitler annexed Austria making it part of his Greater German Reich approximately 185 000 Jews lived in Vienna Unlike their counterparts in Germany proper these Jews had only a short time to make plans to emigrate The development and application of racially discriminatory policies in Germany took nearly five years to come to full fruition In Austria the ruthless attempts at exclusion of the Jewish population from both social and economic institutions took barely five

months The editor and his parents were among the few individuals who were fortunate to gain entrance into the United States during this time of crisis Four days before their departure the U S visa stamped in their passports was the only thing that saved the three from deportation to Poland The Sechers unavoidably left behind five members of their immediate family who were still waiting to receive visas but they firmly believed even as rumors of further restrictive policies against the Jews circulated that the remaining members of their family would be well out of reach of Nazi policies designed to remove Jews from their homes There is a lengthy introduction but the major part of the book is a chronological arrangement of the many letters exchanged between the father and mother and those individuals left behind in Vienna The letters tell a story of the struggles the remaining five faced in their efforts to stay alive Of the five persons who contributed to this correspondence only Fanny Secher the author s paternal grandmother died a natural death The others were deported and never heard from again **Family Herald** ,1845 **Angels in America: A Gay Fantasia on National Themes** Tony Kushner,2013-12-24 A revised and complete edition of this modern classic featuring a new foreword from author Tony Kushner *The Railway Conductor* ,1929 **Railway Conductors' Monthly** ,1929 **The Columbian Magazine** ,1845 **Children's Books in Print** ,1987 **Southern Literary Messenger** ,1839 **The Southern literary messenger** ,1839 **Brotherhood of Locomotive Firemen and Enginemen's Magazine** ,1911 Sisters-In-Law Nina Bell,2009-09-03 Sisters in law Kate Helen and Miranda all have one thing in common they re hiding something It s not easy being part of the high achieving Fox family the expectations and demands of their husbands and children the jealousies and rivalries and the endless Sunday lunches where somehow everything feels like a competition So when mysterious Sasha enters their lives bloodied from the battlefield of a painful divorce buried frustrations rush to the surface Why is Kate s husband Jonny working so late at the office and how will she cope at home alone Can army wife Helen trust Jago to come back to her next time or is he drawn by temptations in a foreign field And will Simon s explosive secret blow Miranda s marriage apart once and for all Three sisters in law One devastating divorcee Whose husband is about to play with fire
