## **Sister Would Know:**

*A Sister Would Know* C.J. Carmichael, 2014-09-15 TWINS They're definitely not two of a kind. She needs answers. With uncanny accuracy, Amalie knows the exact moment her identical twin is swept away by an avalanche in the Canadian Rockies. What she doesn't know is what her timid, unathletic sister was doing up in the mountains in the first place. For everyone's sake, Amalie is determined to find out. He's the man who can give them to her. Grant Thorio, manager of the Avalanche Control Section at Rogers Pass, British Columbia, can help her. But he wishes Amalie had stayed put in Toronto. Her sister it seems caused nothing but trouble in the two months she lived at the Pass. The last thing he wants is Amalie here in town kicking up a fuss. Especially once it becomes clear to both of them that he can give her more than just answers about her sister and she wants more than that too.

*The Role of Sisters in Women's Development* Sue A. Kuba, Professor of Psychology at the California School of Professional Psychology, 2011-03-04 Psychological theory has traditionally overlooked or minimized the role of siblings in development, focusing instead on parent-child attachment relationships. The importance of sisters has been even more marginalized. Sue A. Kuba explores this omission in *The Role of Sisters in Women's Development*, seeking to broaden and enrich current understanding of the psychology of women. This unique work is distinguished by Kuba's phenomenological method of research, rooted in a single prompt: Tell me about your relationship with your sister. Rich in detail, the responses, many of which are reproduced at length within the book, provide a complex picture of sister relationships across the lifespan. Integrating these stories with current literature about gender and family composition for sisters of difference, disabled and lesbian sisters, and ethnic sisters, this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life, integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients. A valuable contribution to the field of mental health, *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection, as well as anyone who wants to further understand the importance of sisterhood.

*The Dreaming Land I* E.P. Clark, 2018-09-12 All's fair in war. But what about love? If you liked the Kushiel series or *The Priory of the Orange Tree*, check out this sweeping epic starring a bisexual warrior princess with a taste for dominance. Valya is a warrior. It is her strong will that holds the steppe, the freest, wildest, most warlike of the provinces of Zem, and it is her strong sword that defends it from raiders. But now, as a growing demand for Zemnian slaves threatens her people, a call from the Empress in Krasnograd requires Valya to leave her native land behind and take up her other duty as unpopular heir to the Wooden Throne. In order to save her beloved Zem from the enemies both outside and inside its borders, Valya must find out what secrets her sister-princesses are keeping, face up to her scandal-ridden past, and woo the son of the woman she hates most in the world. Valya believes that all is fair in war, but in love, she's not so sure. With the fate of her family and her country riding on her shoulders, though there may not be time for scruples. A continuation of the story begun in the award-winning novels *The Midnight Land*

and The Breathing Sea The Dreaming Land I The Challenge is the first installment of the concluding trilogy of this epic saga about the matrilineal world of Zem where trees walk animals talk and women rule This subversive blend of high fantasy and literary fiction will appeal to fans of classical Russian literature and contemporary fantasy alike With discussion questions at end Reading order of the Zemnian Series The Zemnian Series Slava s Story The Midnight Land I The Flight The Midnight Land II The Gift The Zemnian Series Dasha s Story The Breathing Sea I Burning The Breathing Sea II Drowning The Zemnian Series Valya s Story The Dreaming Land I The Challenge The Dreaming Land II The Journey The Dreaming Land III The Sacrifice     The Long-lost Rachel Wild; Rachel Wild Peterson,1905     Hansard's Parliamentary Debates Great Britain.
