Paper Fish Tina De Rosa, 2003 Set in Chicago during the 1940s and 1950s Paper Fish is populated by hardworking Italian American immigrants whose heroism lies in their quiet sometimes tragic humanity At the center of the novel is young Carmolina who is torn between the bonds of

the past and the pull of the future a need for home and a yearning for independence Carmolina s own story is interwoven with the stories of her family the memories and legends of her Grandmother Doria the courtship tales of her father a gentle policeman and her mother a lonely waitress and the painful story of Doriana her beautiful but silent sister *Writing With An Accent* Edvige Giunta,2016-04-30 Mary Cappello Louise DeSalvo Sandra M Gilbert Maria Mazziotti Gillan Carole Maso Agnes Rossi These are some of the best known Italian American writers today They are part of a literary tradition with mid twentieth century roots that began to develop in earnest in the late 1970s and early 1980s During those decades a number of Italian American women such as Helen Barolini began to publish books that depicted their perspectives on life through the critical lenses of gender class and ethnicity At the end of the twentieth century this literature finally blossomed into a fully fledged cultural movement that also took into account issues of sexuality age illness and familial and societal abuse Writing with an Accent takes a look at this vibrant literary movement by discussing those first writers of the 1970s and 1980s as well as later authors At the center of Edvige Giunta s *Writing with an Accent* is the literal notion of accent the marker of linguistic and cultural difference that separates and identifies recent immigrants to the United States In this study an accent symbolically embodies the differences and creative strategies through which contemporary Italian American women writers engage Italian American culture in works of fiction poetry and memoir Giunta also looks at the links between the literature and art music film and video produced by contemporary Italian American women The literature of the Italian American women in *Writing with an Accent* is shaped by the complicated connections these authors maintain with their cultural origins but also and perhaps more importantly by their feminist consciousness and politicized sense of ethnic identity *Writing with an Accent* celebrates and explores a group of authors who characteristically mix the joy and pain of Italian American life to paint a multifaceted picture of Italian American women and their complex place in U S culture **The American Humanities Index** Stephen H.
