Sisters Of Justice:

Sisters of Justice Karen Jamison, 2004-06-29 Almost everyday on the news there is a report of a child getting abducted or abused With so many offenders of these crimes there doesn't seem to be a harsh enough form of punishment that sends out a message to the next person who commits these crimes Sisters of Justice is about a group of highly skilled and educated women who are fed up with the justice system and take matters into their own hands and serve true justice They help when there is nowhere else to turn They bring justice when the court system fails They protect those who can't protect themselves Caleah is a successful business woman by day and an enforcer for the Sisters of Justice by night Her life has been good and uncomplicated That's until she breaks her own rule and gets involved in a relationship She tries her best to keep what she does with the Sisters of Justice a secret from the man in her life But that gets hard because he's one of the best homicide detectives for the city of New Orleans Things become intense when the Sisters of Justice becomes the city's most wanted and the cops are out to get them *MISSISSIPPI "A" SISTER'S JUSTICE* JEROME GENTRY ,2024-10-30 Embark on an emotional journey through the pages of this compelling and deeply personal book as the author unravels the poignant narrative of their daughter's tumultuous life In *MISSISSIPPI A Sister's JUSTICE* the author candidly shares the heartbreaking story of Deanna Lashay one of three beloved daughters While the focus is on Deanna the pivotal role played by Mia Nicole adds a crucial layer to the unfolding drama Deanna's life takes an unexpected turn with a decision that shakes the foundation of her existence triggering buried childhood traumas In their rush for sensationalism the local news outlets misreported the incident prompting the author to set the record straight A relentless champion for their daughters the author provides an accurate account revealing the circumstances leading to that fateful day The book delves into the profound impact of childhood trauma on individuals and families shedding light on society's tendency to doubt victims and empathize with perpetrators Addressing the alarming consequences of untreated trauma the narrative explores the emotional toll on victims emphasizing the importance of support systems Research backed insights into the lasting effects of child sexual abuse underscore the critical need for intervention **Race, Justice and American Intellectual Traditions** Stuart Rosenbaum, 2018-02-17 Some American intellectual traditions although pristine in appearance are racist at their core This book reveals the racism inherent in those Platonist and Enlightenment moral traditions that motivate much contemporary rhetoric Part One contains five chapters of substantial critique while Part Two contains four chapters of constructive suggestion explaining how indigenous American traditions of thought about morality avoid the racism of conventional Western moral thought that dominates political rhetoric This book because of its focus thesis and brevity will be useful in a number of academic contexts including political science American studies philosophy sociology and also to the larger educated public *Two Sisters for Social Justice* Lela B. Costin, 1983 The Abbott sisters forsook the comforts and confinements of the status quo to join the struggle for social justice From the Progressive Era through the New Deal they

were an integral part of the debate that raged around the issues of suffrage workers rights child labor laws juvenile delinquency prostitution the immigrant problem tenement housing social security emergency relief programs and the peace movement Refusing to claim any of the special feminine insights often attributed to their contemporary Jane Addams the Abbotts assumed the role of social engineers and strove for a specialized competence with which to understand the entire social system BOOK JACKET **The gentleman of Venice. The politician. The imposture. The cardinal. The sisters.**

Sisters for Justice and Their Patriarchal Church Meta Margaret Reid,2002 *Home* Cailean Steed,2023-01-19 Such a good read Val McDermid Absorbing moving and alarmingly believable Carole Johnstone author of Mirrorland Home is a white hot gem of a book brilliantly researched so gripping and propulsive you ll want to consume it in one go Kirstin Innes author of Scabby Queen Someone has broken into Zoe s flat A man she thought she d never have to see again They call him the Hand of God He knows about her job in the cafe her life in Dublin her ex girlfriend even the knife she s hidden under the mattress She thought she d left him far behind along with the cult of the Children and their isolated compound Home but now he s found her and Zoe realises she must go back with him if she s to rescue the sister who helped her escape originally But returning to Home means going back to the enforced worship and strict gender roles Zoe has long since moved beyond Back to the abuse and indoctrination she s fought desperately to overcome Going back will make her question everything she believed about her past and risk her hard won freedom Can she break free a second time An absolute triumph I found myself holding my breath hoping for the best for her while expecting the worst Highly recommended Laura Shepperson author of forthcoming debut THE HEROINES Justice of the Peace ,1872 **Investigation Re Department of Marine and Fisheries Before the Hon. Starting in 1947 this volume examines the way Pakistani judges have dealt with the controversial issue of Islam in the past 50 years The book s focus on reported case law offers a new perspective on the Islamisation of Pakistan s legal system in which Islam emerges as more than just a challenge to Western conceptions of human rights Jurgen A Comedy of Justice JAMES BRANCH CAMBELL,1919 Papers on Appeal from Order of Mr. Justice J.A. Habits of Compassion Maureen Fitzgerald, 2023-12-11 The Irish Catholic Sisters accomplished tremendously successful work in founding charitable organizations in New York City from the Irish famine through the early twentieth century Maureen Fitzgerald argues that their championing of the rights of the poor especially poor women resulted in an explosion of state supported services and programs Parting from Protestant belief in meager and means tested aid Irish Catholic nuns argued for an approach based on compassion for the poor Fitzgerald positions the nuns activism as resistance to Protestantism s cultural hegemony As she shows Roman Catholic nuns offered strong and unequivocal moral leadership in condemning those who punished the poor for their poverty and unmarried women for sexual transgression Fitzgerald also delves into the nuns own communities from the class based hierarchies within the convents to the political power they wielded within the city That power amplified by an alliance with the local Irish Catholic political machine allowed the women to expand public charities in the city on an unprecedented scale
