Digging for History at Old Washington Mary L. Kwas,2009-01-01 Positioned along the legendary Southwest Trail the town of Washington in Hempstead County in southwest Arkansas was a thriving center of commerce business and county government in the nineteenth century Historical figures such as Davy Crockett and Sam Houston passed through and during the Civil War when the Federal troops occupied Little Rock the Hempstead County Courthouse in Washington served as the seat of state government A prosperous town fully involved in the events and society of the territorial antebellum Civil War and Reconstruction eras Washington became in a

way frozen in time by a series of events including two fires a tornado and being bypassed by the railroad in 1874 Now an Arkansas State Park and National Historic Landmark Washington has been studied by the Arkansas Archeological Survey over the past twenty five years Digging for History at Old Washington joins the historical record with archaeological findings such as uncovered construction details evidence of lost buildings and remnants of everyday objects Of particular interest are the homes of Abraham Block a Jewish merchant originally from New Orleans and Simon Sanders from North Carolina who became the town s county clerk The public and private lives of the Block and Sanders families provide a fascinating look at an antebellum town at the height of its prosperity

The Three Pillars Barbara J. Sivertsen,2010-05-10 The Three Pillars How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church s earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter s son She discusses Mark s footprint in this Gospel and how Mark s resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book s final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage
