event the cocktail party staged in a private home smashed the gender barrier that had long forbidden ladies from entering into the gentlemen only barrooms and cafés The drinks savored in secret were all the more delectable when the cocktail shaker went underground The danger of the illicit liquor trade was also memorialized in drinks like the Original Gangster the St Valentine's Day Massacre the Tommy Gun and others Crime rose fortunes were amassed and a slew of new cocktails were shaken stirred and poured in hideaways to brand the roaring 1920s as the era of Alcohol and Al Capone **Fitzgerald's**

Short Story Index, 1965 **Writing Jazz** Nicholas M. Evans, 2015-12-22 This study examines how early writers of jazz criticism such as Gilbert Seldes and Carl Van Vechten and literature F Scott Fitzgerald and Langston Hughes as well as jazz performers and composers such as Al Jolson Sophie Tucker and George Gershwin associated the music directly with questions about identity racial ethnic national gendered and sexual and with historical developments like industrialization Going beyond the study of melody harmony and rhythm this book's interdisciplinary approach takes seriously the cultural beliefs about jazz that inspired interracial contact moralistic panic bohemian slumming visions of American democracy and much more Detailed textual analysis of fiction nonfiction film and musical performance illustrates the complexity of these cultural beliefs in the 1920s and also shows their survival to the present day In part jazz absorbed the U S cultural imagination due to the nineteenth century artistic search for music that would define the national character To the chagrin of Anglo Saxon nativists jazz ascended as an exemplar of cultural hybridity and pluralism The writers and entertainers studied in this volume most of whom were minorities of Jewish Irish or African heritage hailed the new social possibilities that they heard and felt in jazz Yet most of them also qualified their enthusiasm by remaining wary of both the seductions of jazz's commercialization and the loss of ethnic identity in the melting pot **Kiplinger's Personal Finance**, 1969-01 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Freud, Religion, and the Roaring Twenties** Henry Idema, 1990 In this book Henry Idema has developed a theory of religion and culture indebted to the psychological work of Sigmund Freud and the

sociological work of Weinstein and Platt and he has shown the validity of his theory through illustrations from the life and times and work of Sherwood Anderson Ernest Hemingway and F Scott Fitzgerald Idema brings a psychoanalytic perspective to his analysis of religion and culture He starts out by developing a theory of religion focusing on early relationships with the mother and father and then shows how social forces such as urbanization industrialization etc weakened religion in the institutional church especially in its function of helping men and women to cope with anxiety **Short Story Index:**

Stories F. Scott Fitzgerald,1997-01-24 In this classic collection of 14 short stories Fitzgerald evokes with a mixture of nostalgia and ironic humor his experiences growing up in the decade before World War II The tales were originally written as two separate series for The Saturday Evening Post **The Curious Case of Benjamin Button** F. Scott Fitzgerald,2008

The Curious Case of Benjamin Button is one of F Scott Fitzgerald s most memorable short stories The protagonist Benjamin Button is born an old man and ages in reverse until he becomes a baby and then finally vanishes from the earth In a short introduction to the story Fitzgerald wrote This story was inspired by a remark of Mark Twain s to the effect that it was a pity that the best part of life came at the beginning and the worst part at the end By trying the experiment upon only one man in a perfectly normal world I have scarcely given his idea a fair trial Several weeks after completing it I discovered an almost identical plot in Samuel Butler s Note books The Curious Case of Benjamin Button was the inspiration for the major motion picture of the same name and remains one of Fitzgerald s most haunting and beautiful tales This collection also includes three other Jazz Age tales by Fitzgerald **Tender Is the Night** F. Scott Fitzgerald,2020-06-30 Now available in a

beautifully designed collector s edition this modern classic set in the South of France after World War I is the story of a brilliant psychiatrist and the bewitching wealthy and dangerously unstable patient who becomes his wife Set in the south of France in the late 1920s Tender Is the Night is the tragic tale of a young actress Rosemary Hoyt and her complicated relationship with the alluring American couple Dick and Nicole Diver A brilliant psychiatrist at the time of his marriage Dick is both husband and doctor to Nicole whose wealth pushed him into a glamorous lifestyle and whose growing strength highlights Dick s decline Lyrical expansive and hauntingly evocative Tender Is the Night was one of the most talked about books of the year when it was originally published in 1934 and is even more beloved by readers today The Great Gatsby

F. Scott Fitzgerald,2020-11-17 The only edition of the beloved classic that is authorized by Fitzgerald s family and from his lifelong publisher This edition is the enduring original text updated with the author s own revisions a foreword by his granddaughter and with a new introduction by National Book Award winner Jesmyn Ward The Great Gatsby F Scott Fitzgerald s third book stands as the supreme achievement of his career First published by Scribner in 1925 this
