Sixties Decade Of Design Revolution:

The Sixties Lesley Jackson,1998 Lesley Jackson traces the transition from the contemporary design of the 1950s to the pure geometry of the look and the styles that proliferated throughout the momentous events of the 1960s **The Sixties** David Mellor,200? **Sixties Britain** Mark Donnelly,2014-01-14 Sixties Britain provides a more nuanced and engaging history of Britain This book analyses the main social political cultural and economic changes Britain undertook as well as focusing on the silent majority who were just as important as the rebellious students the residents if Soho and the icons of popular culture Sixties Britain engages the reader without losing sight of the fact that the 1960s were a vibrant fascinating and controversial time in British History **Transformation and Tradition in 1960s British Cinema** Richard Farmer,2019-05-03 Making substantial use of new and underexplored archive resources that provide a wealth of information and insight on the period in question this book offers a fresh perspective on the major resurgence of creativity and international appeal experienced by British cinema in the 1960s **Made in Canada** Alan Elder,2005-02-14 The red maple leaf is the quintessential symbol of Canada and the flag that popularized it throughout the world was designed in the 1960s as a result of government legislation aimed at creating a vital new Canadian national identity through objects events and building projects Made in Canada looks at the development of Canadian craft design and culture through ambitious government programs meant to reinforce the country s identity as a modern sophisticated and autonomous nation As well it documents the demise of a singular notion of modern life and its replacement with a focus on personal identity and consumerism Changes in the 1960s included the building of modern airports first space satellite and new national symbols such as the maple leaf flag Canadians embraced this heightened sense of individuality and demanded products that were equally individual As a result pop culture objects sat on cool furniture influenced by Scandinavian modernism while handmade crafts reflected a growing concern with environmental issues Expo 67 was the turning point one final expression of optimism before Canada was rocked by social change and varied struggles for identity Made in Canada examines national dreams and expressions of individuality in thoughtful and illuminating essays Contributors include Sandra Alföldy NSCAD University Paul Bourassa Mus e des beaux arts de Qu bec Brent Corder designer and educator Toronto Douglas Coupland artist and author Vancouver Bernard Flaman Government of Saskatchewan Rachel Gotlieb freelance curator and writer Toronto Michael Large Sheridan College Institute of Technology and Advanced Learning and Michael Prokopow Design Exchange *Summer of Love* Christoph Grunenberg,Jonathan Harris,Jonathan P. Harris,2005-01-01 Though more than a generation has passed since the revolutionary fervor of the Summer of Love of 1967 the 1960s in many ways seem with us still From recurring debates over the war in Vietnam to the perpetually appealing music of the Beatles and the Rolling Stone to the concern about youth drug use the legacy of the 1960s is ubiquitous in contemporary life The Summer of Love brings together an impressive group of historians artists and cultural critics to present a rich and varied interpretation of this

seminal decade and its continuing influence on politics society and culture The Summer of Love which accompanies an exhibition at Tate Liverpool pays particular attention to the wildly creative psychedelic art of the era Perceptive essays on psychedelic comics graphic design and typography light shows and film successfully rescue psychedelic art from the fog of nostalgia and unjust critical neglect Distinguished contributors also explore the role of 1960s fashion and architecture and they consider anew the central influence of hallucinogenic drugs on the art of the era Running throughout the essays are the elements of epochal change from sexual liberation to student revolutions that still form the backdrop of our collective consciousness of the 1960s An incisive collection of writings on all aspects of 1960s art and culture tempered by time and critical distance The Summer of Love will be indispensable for those who wish they had been there or for those who were but can't remember it

"We are the Mods" Christine Jacqueline Feldman, 2009 Drawing on archival research oral history interviews and participant observation this examination of the adoption and adaptation of Mod style across geographic space also maps its various interpretations over time from the early 1960s to the present The book traces the Mod youth culture from its genesis in the dimly lit clubs of London's Soho where it began as a way for young people to reconfigure modernity after the chaos of World War II to its contemporary country specific expressions By examining Mod culture in the United States Germany and Japan alongside the United Kingdom *We Are the Mods* contrasts the postwar development of Mod in those countries that lost the war with those that won The book illuminates the culture's fashion music iconography and gender aesthetics to create a compelling portrait of a transnational subculture Book Jacket

History of Modern Design Third Edition David Raizman, 2023-08-31 This unparalleled and wide ranging book surveys the history of applied arts and industrial design from the eighteenth century to the present day exploring the dynamic relationship between design and manufacturing and the technological social and commercial contexts in which this relationship has developed In this extensively revised and expanded third edition David Raizman addresses international questions more fully with the addition of six Global Inspiration sections that examine the contributions of non Western traditions rendering the very notion of a national design debatable The text also pays closer attention to issues of gender race and climate change and their impact on design With over 580 illustrations mostly in colour *History of Modern Design* is an inclusive well balanced introduction to a field of increasing scholarly and interdisciplinary research and provides students in design with historical perspectives of their chosen fields of study

NorCalMod Pierluigi Serraino, 2006-08-03 Many people think modernist architecture never flowered in California north of the San Fernando Valley *NorCalMod* dispels that notion in a copiously illustrated history showcasing extraordinary examples of its proud contribution to the Bay Area and environs As a style modernist architecture was hotly debated in its day why create modern structures where such distinctive Victorian and Arts and Crafts buildings already existed pulling heavyweights such as Frank Lloyd Wright Lewis Mumford and Walter Gropius into the fray Ultimately that existing Bay Region Style would remain the area's architectural hallmark but not before hundreds of important

modernist projects many still standing yet unjustly neglected today had been established The remarkable photos in this book open our eyes to a long lost chapter in the history of California architecture and make NorCalMod a volume to be enjoyed by those interested in California history and style as well as by architecture students and professionals **History of Modern Design** David Raizman,2003 An exploration of the parallel development of product and graphic design from the 18th century to the 21st The effects of mass production and consumption man made industrial materials and extended lines of communication are also discussed **An Introduction to Design and Culture** Penny Sparke,2013-02-11 This third edition of An Introduction to Design and Culture has been revised and updated throughout to include issues of globalization sustainability and digital interactive design New for this edition is a chapter which covers key changes in design culture Design culture has changed dramatically in the 21st century the designer hero is now much less in evidence and design has become much more interdisciplinary Drawing on a wealth of mass produced artefacts images and environments including sewing machines cars televisions clothes electronic and branded goods and exhibitions author Penny Sparke shows how design has helped to shape and reflect our social and cultural development This introduction to the development of modern and postmodern design is ideal for undergraduate students **Twentieth-Century Pattern Design** Lesley Jackson,2007-02-08 Twentieth Century Pattern Design combines photographs including many newly published images with soundly researched text creating an essential resource for enthusiasts and historians of modern design The book also serves as a creative sourcebook for students and designers inspiring new flights of fancy in pattern design Jacket **Retro** Elizabeth E. Guffey,2006-11-15 Drawing upon a wealth of original research and entertaining anecdotal material Guffey unearths the roots of the term retro and chronicles its evolving manifestations in culture and art throughout the last century **A Memoir of Creativity** Piri Halasz,2009 A Memoir of Creativity chronicles one woman s life journey as she derives a theory revealing meaning in abstract painting from varied personal and professional experiences and tells how she locates this theory within a broader social context In 1966 Piri Halasz became the first woman within living memory to write a cover story for Time and not just any cover story either the notorious one on Swinging London With wit and wisdom she provides a glimpse into her red diaper childhood as well as reporting on her climb at Time from research to the writing staff Vividly she describes her controversial career as a female journalist during the sixties offering an inside view of newsweekly rivalries during that tempestuous decade Halasz then moves on to her initiation into the art world her lively interaction with some of its most distinguished denizens and her immersion in graduate school She concludes with what she has learned about art art history and history itself since the early eighties applying that knowledge to better understand the twenty first century Through sharing her life story Halasz encourages others to remain open to new experiences to try different ways of seeing and to use creativity to tackle hurdles **Marimekko** Marianne Aav,2003-01-01 This book the first comprehensive study of Marimekko designs presents more than one hundred examples of exuberant Marimekko fashions and home furnishings that

gave the company a definitive presence on the world design stage *Ready, Steady, Go!* Shawn Levy, 2003-07-08 It's the summer of 1966 The fundamental old ways chastity rationality harmony sobriety even democracy blasted to nothing or crumbling under siege The city glows It echoes It pulses It bleeds pastel and fuzzy spicy paisley and soft This is how it's always going to be smashing clothes brilliant music easy sex eternal youth the eyes of everybody everyone's first thought the top of the world right here right now Swinging London Shawn Levy has a genius for unearthing the secret history of popular culture The Los Angeles Times called King of Comedy his biography of Jerry Lewis a model of what a celebrity bio ought to be smart knowing insightful often funny full of fascinating insiders stories and the Boston Globe declared that Rat Pack Confidential evokes the time in question with the power of a novel as well as James Ellroy's American Tabloid and better by far than Don DeLillo's Underworld In Ready Steady Go Levy captures the spirit of the sixties in all its exuberance A portrait of London from roughly 1961 to 1969 it chronicles the explosion of creativity in art music and fashion and the revolutions sexual social and political that reshaped the world Levy deftly blends the enthusiasm of a fan the discerning eye of a social critic and a historian's objectivity as he re-creates the hectic pace and daring experimentation of the times from the utter transformation of rock n roll by the Beatles and the Rolling Stones to the new aesthetics introduced by fashion designers like Mary Quant haircutters like Vidal Sassoon photographers like David Bailey actors like Michael Caine and Terence Stamp and filmmakers like Richard Lester and Nicolas Roeg to the wild clothing shops and cutting edge clubs that made Carnaby Street and King's Road the hippest thoroughfares in the world Spiced with the reminiscences of some of the leading icons of that period their fans and followers and featuring a photographic gallery of well known faces and far out fashions Ready Steady Go is an irresistible re-creation of a time and place that seemed almost impossibly fun The New Look, Design in the
