Wolfram Schmidgen

Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists:

The Skeptical Sublime James Noggle, 2001 This title examines the role of scepticism in initiating the idea of the sublime in early modern British literature James Noggle draws on philosophy intellectual history and critical theory to illuminate the aesthetic ideology of Pope Swift Dryden and Rochester among other important writers of the period The Skeptical Sublime compares the view of sublimity presented by these authors with that of the dominant liberal tradition of 18th century criticism to offer a new understanding of how these writers helped construct proto aesthetic categories that stabilized British culture after years of civil war and revolution while at the same time their scepticism allowed them to express ambivalence about the emerging social order

The ^ASkeptical Sublime James Noggle, 2001-11-01 This book argues that philosophical skepticism helps define the aesthetic experience of the sublime in late seventeenth and eighteenth century British literature especially the poetry of Alexander Pope Skeptical doubt appears in the period as an astonishing force in discourse that cannot be controlled doubt's boundless Sea in Rochester's words and as such is consistently seen as affiliated with the sublime itself emerging as an important way to conceive of excessive power in rhetoric nature psychology religion and politics This view of skepticism as a force affecting discourse beyond its practitioners' control links Noggle's discussion to other theoretical accounts of sublimity especially psychoanalytic and ideological ones that emphasize the sublime's activation of unconscious personal and cultural anxieties and contradictions But because The Skeptical Sublime demonstrates the sublime's roots in the epistemological obsessions of Pope and his age it also grounds such theories in what is historically evident in the period's writing The skeptical sublime is a concrete primary instance of the transformation of modernity's main epistemological liability its loss of certainty into an aesthetic asset retaining however much of the unsettling irony of its origins in radical doubt By examining the cultural function of such persistent instability this book seeks to clarify the aesthetic ideology of major writers like Pope Swift Dryden and Rochester among others who have been seen sometimes confusingly as both reactionary and supportive of the liberal Whig model of taste and civil society increasingly dominant in the period While they participate in the construction of proto aesthetic categories like the sublime to stabilize British culture after decades of civil war and revolution their appreciation of the skepticism maintained by these means of stabilization helps them express ambivalence about the emerging social order and distinguishes their views from the more providentially assured appeals to the sublime of their ideological opponents

Sublimity and Skepticism in Montaigne and Milton

David Louis Sedley, 2005 Boldly investigates the relationship between the sublime as an aesthetic category and the emergence of skepticism as a philosophical problem

Celestial Aspirations Philip Hardie, 2022-03 A unique look at how classical notions of ascent and flight preoccupied early modern British writers and artists Between the late sixteenth century and early nineteenth century the British imagination poetic political intellectual spiritual and religious displayed a pronounced fascination with images of ascent and flight to the heavens *Celestial Aspirations* explores how British literature

and art during that period exploited classical representations of these soaring themes through philosophical scientific and poetic flights of the mind the ascension of the disembodied soul and the celestial glorification of the ruler From textual reachings for the heavens in Spenser Marlowe Shakespeare Donne and Cowley to the ceiling paintings of Rubens Verrio and Thornhill Philip Hardie focuses on the ways that the history ideologies and aesthetics of the postclassical world received and transformed the ideas of antiquity In England narratives of ascent appear on the grandest scale in Milton's *Paradise Lost* an epic built around a Christian plot of falling and rising and one of the most intensely classicizing works of English poetry Examining the reception of flight up to the Romanticism of Wordsworth and Tennyson Hardie considers the Whig sublime as well as the works of Alexander Pope and Edward Young Throughout he looks at motivations both public and private for aspiring to the heavens as a reward for political and military achievement on the one hand and as a goal of individual intellectual and spiritual exertion on the other *Celestial Aspirations* offers an intriguing look at how creative minds reworked ancient visions of time and space in the early modern era

The Poems of Alexander Pope: Volume One Julian Ferraro, Paul Baines, 2019-03-21 *The Poems of Alexander Pope* is a multi volume edition of the poetry of Alexander Pope 1688 1744 resulting from a thorough reappraisal of his work from composition through to reception The annotations and headnotes are full and informative and the layout is designed to enable the reader to navigate easily between the poems the record of variants and the editorial commentary The poems are presented in chronological order of publication with original capitalisation italicisation punctuation and spelling preserved A record of variants to each poem illustrates the changes Pope made in subsequent editions and full editorial annotation sets the poems in appropriate literary historical and cultural contexts This volume contains the poetry that appeared between 1709 and 1714 including the Pastorals and the Rape of the Locke Much of the publication history of these poems shows Pope collaborating with the major writers and publishers of his time as might be expected of a writer whose preparation for a literary career was so meticulous But Pope was also beginning to establish himself on his own account publishing at first anonymously a substantial statement of ideas *An Essay on Criticism* Another separate pamphlet *Windsor Forest* constituted his distinctive contribution to the heavy freight of Peace poems prompted by the Treaty of Utrecht In all the poems presented in this volume reveal an engagement with the literary and publishing industry that is at once amenable and independent

Nothing to Admire Christopher Yu, 2003-09-11 *Nothing to Admire* argues for the persistence of a central tradition of poetic satire in English that extends from Restoration England to present day America This tradition is rooted in John Dryden's and Alexander Pope's uses of Augustan metaphor to criticize the abuse of social and political power and to promote an antithetical ideal of satiric authority based on freedom of mind Because of their commitment to neoclassical conceptions of political virtue the British Augustans developed a meritocratic cultural ideal grounded in poetic judgment and opposed to the political institutions and practices of their superiors in birth wealth and might Their Augustanism thus gives a political meaning to the Horatian principle of *nil admirari* This book calls

the resulting outlook cultural liberalism in order to distinguish it from the classical liberal insistence on private property as the basis of political liberty a conviction that arises within the same general period and often stands in adversarial relation to the Augustan mentality Dryden and Pope s language of political satire supplies the foundation for the later and more radical liberalisms of Lord Byron W H Auden and James Merrill each of whom looks back to the Augustan model for the poetic devices he will use to protest the increasingly conformist culture of mass society Responding to the banality of this society the later poets reinvigorate their predecessors neo Horatian attitude of skeptical worldliness through iconoclastic comic assaults on the imperial fascist heterosexist and otherwise illiberal impulses of the cultural regimes prevailing during their lifetimes

The Encyclopedia of British Literature, 3 Volume Set Gary Day,Jack Lynch,2015-03-09 Provides a comprehensive overview of all aspects of the poetry drama fiction and literary and cultural criticism produced from the Restoration of the English monarchy to the onset of the French Revolution Comprises over 340 entries arranged in A Z format across three fully indexed and cross referenced volumes Written by an international team of leading and emerging scholars Features an impressive scope and range of subjects from courtship and circulating libraries to the works of Samuel Johnson and Sarah Scott Includes coverage of both canonical and lesser known authors as well as entries addressing gender sexuality and other topics that have previously been underrepresented in traditional scholarship Represents the most comprehensive resource available on this period and an indispensable guide to the rich diversity of British writing that ushered in the modern literary era 3 Volumes www.literatureencyclopedia.com

The Cambridge Companion to Alexander Pope Pat Rogers,2007-12-06 Alexander Pope was the greatest poet of his age and the dominant influence on eighteenth century British poetry His large oeuvre written over a thirty year period encompasses satires odes and political verse and reflects the sexual moral and cultural issues of the world around him often in brilliant lines and phrases which have become part of our language today This is the first overview to analyse the full range of Pope s work and to set it in its historical and cultural context Specially commissioned essays by leading scholars explore all of Pope s major works including the sexual politics of *The Rape of the Lock* the philosophical enquiries of *An Essay on Man* and the *Moral Essays* and the mock heroic of *The Dunciad* in its various forms This volume will be indispensable not only for students and scholars of Pope s work but also for all those interested in the Augustan age

Animality in British Romanticism Peter Heymans,2012-10-02 The scientific political and industrial revolutions of the Romantic period transformed the status of humans and redefined the concept of species This book examines literary representations of human and non human animality in British Romanticism The book s novel approach focuses on the role of aesthetic taste in the Romantic understanding of the animal Concentrating on the discourses of the sublime the beautiful and the ugly Heymans argues that the Romantics aesthetic views of animality influenced and were influenced by their moral scientific political and theological judgment The study reveals how feelings of environmental alienation and disgust played a positive moral role in animal rights poetry why

ugliness presented such a major problem for Romantic period scientists and theologians and how in political writings the violent yet awe inspiring power of exotic species came to symbolize the beauty and terror of the French Revolution Linking the works of Wordsworth Blake Coleridge Byron the Shelleys Erasmus Darwin and William Paley to the theories of Immanuel Kant and Edmund Burke this book brings an original perspective to the fields of ecocriticism animal studies and literature and science studies

Passion Is the Gale Nicole Eustace,2012-12-01 At the outset of the eighteenth century many British Americans accepted the notion that virtuous sociable feelings occurred primarily among the genteel while sinful and selfish passions remained the reflexive emotions of the masses from lower class whites to Indians to enslaved Africans Yet by 1776 radicals would propose a new universal model of human nature that attributed the same feelings and passions to all humankind and made common emotions the basis of natural rights In *Passion Is the Gale* Nicole Eustace describes the promise and the problems of this crucial social and political transition by charting changes in emotional expression among countless ordinary men and women of British America From Pennsylvania newspapers pamphlets sermons correspondence commonplace books and literary texts Eustace identifies the explicit vocabulary of emotion as a medium of human exchange Alternating between explorations of particular emotions in daily social interactions and assessments of emotional rhetoric's functions in specific moments of historical crisis from the Seven Years War to the rise of the patriot movement she makes a convincing case for the pivotal role of emotion in reshaping power relations and reordering society in the critical decades leading up to the Revolution As Eustace demonstrates passion was the gale that impelled Anglo Americans forward to declare their independence collectively at first and then finally as individuals

Patriotism and Public Spirit Ian Crowe,2012-08-22 *Patriotism and Public Spirit* is an innovative study of the formative influences shaping the early writings of the Irish English statesman Edmund Burke and an early case study of the relationship between the business of bookselling and the politics of criticism and persuasion Through a radical reassessment of the impact of Burke's Irishness and of his relationship with the London based publisher Robert Dodsley the book argues that Burke saw Patriotism as the best way to combine public spirit with the reinforcement of civil order and to combat the use of coded partisan thinking to achieve the dominance of one section of the population over another No other study has drawn so extensively on the literary and commercial network through which Burke's first writings were published to help explain them By linking contemporary reinterpretations of the work of Patriot sympathizers and writers such as Alexander Pope and Lord Bolingbroke with generally neglected trends in religious and literary criticism in the Republic of Letters this book provides new ways of understanding Burke's early publications The results call into question fundamental assumptions about the course of Enlightenment thought and challenge currently dominant post colonialist and Irish nationalist interpretations of the early Burke

Infinite Variety Wolfram Schmidgen,2021-08-13 Unnerved by the upheavals of the seventeenth century English writers including Thomas Hobbes Richard Blackmore John Locke Jonathan Swift and Daniel Defoe came to accept that disorder rather than order was

the natural state of things They were drawn to voluntarism a theology that emphasized a willful creator and denied that nature embodied truth and beauty Volfram Schmidgen contends provided both theological framework and aesthetic license In *Infinite Variety* he reconstructs this voluntarist tradition of literary invention Once one accepted that creation was willful and order arbitrary Schmidgen argues existing hierarchies of kind lost their normative value Literary invention could be radicalized as a result Acknowledging that the will drives creation such writers as Blackmore and Locke inverted the rules of composition and let energy dominate structure matter create form and parts be valued over the whole In literary religious and philosophical works voluntarism authorized the move beyond the natural toward the deformed the infinite and the counterfactual In reclaiming ontology as an explanatory context for literary invention *Infinite Variety* offers a brilliantly learned analysis of an aesthetic framed not by the rise of secularism but by its opposite It is a book that articulates how religious belief shaped modern literary practices including novelistic realism and one that will be of interest to anyone who thinks seriously about the relationship between literature religion and philosophy

Dryden and Enthusiasm John West, 2018-01-25 In Dryden's writing enthusiasm is a source of literary authority It signals divinely inspired literary creativity It is central to Dryden's theoretical defences of the relationship between literature and the passions It is also crucial to his poetic practice in a variety of genres from odes to religious poems to translations Enthusiasm for Dryden ultimately enables literature to break into regions of knowledge beyond rational human comprehension Yet after the rise of radical sectarianism in the 1640s and 1650s where claims of inspiration legitimised challenges to established political authority enthusiasm also carried dangerous theological and political connotations In Dryden's writing enthusiasm is thus also a pejorative term It is used to attack political radicals and religious dissenters In the aftermath of the Civil Wars it is at the root of many perceived threats to the stability of the Restoration state This book explores the paradoxical place of enthusiasm in Dryden's writing and the role he conceived for it in art and society after the violent upheavals of the mid seventeenth century Works from across his oeuvre are explored from his early essays and heroic plays to his translations via new readings of his famous political and religious poems These are read alongside other major writers of the period like Milton and less well known authors such as John Dennis The book suggests new ways of conceptualising the relationship between literary practice and ideological allegiance in Restoration England It reveals Dryden to be a writer who was consistently interested in the limits of what literature could express what feelings it could provoke and what it could make people believe at a time when such questions were of uncertain political importance

Milton, Longinus, and the Sublime in the Seventeenth Century Thomas Matthew Vozar, 2024-03-07 In this wide ranging study in classical reception and the history of ideas Thomas Matthew Vozar shows how Milton's ideas of the sublime were informed by a deep understanding of Longinus and other ancient sources The book also demonstrates how Longinus's ideas and writings were far more prevalent in early modern England than previously thought

The Facts on File Companion to British Poetry Virginia Brackett, 2008 Presents a

comprehensive A to Z reference with approximately 400 entries providing facts about British poets and their poetry from the seventeenth and eighteenth centuries *Godless Fictions in the Eighteenth Century* James Bryant Reeves,2020-07-09

Although there were no self avowed British atheists before the 1780s authors including Jonathan Swift Alexander Pope Sarah Fielding Phebe Gibbes and William Cowper worried extensively about atheism s dystopian possibilities and routinely represented atheists as being beyond the pale of human sympathy Challenging traditional formulations of secularization that equate modernity with unbelief Reeves reveals how reactions against atheism rather helped sustain various forms of religious belief throughout the Age of Enlightenment He demonstrates that hostility to unbelief likewise produced various forms of religious ecumenicalism with authors depicting non Christian theists from around Britain s emerging empire as sympathetic allies in the fight against irreligion *Godless Fictions in the Eighteenth Century* traces a literary history of atheism in eighteenth century Britain for the first time revealing a relationship between atheism and secularization far more fraught than has previously been supposed *Skepticism in Early Modern English Literature* Anita Gilman Sherman,2021-04-29

This ambitious account of skepticism s effects on major authors of England s Golden Age shows how key philosophical problems inspired literary innovations in poetry and prose When figures like Spenser Shakespeare Donne Herbert of Cherbury Cavendish Marvell and Milton question theories of language degrees of knowledge and belief and dwell on the uncertainties of perception they forever change English literature ushering it into a secular mode While tracing a narrative arc from medieval nominalism to late seventeenth century taste the book explores the aesthetic pleasures and political quandaries induced by skeptical doubt It also incorporates modern philosophical views of skepticism those of Stanley Cavell Ludwig Wittgenstein Roland Barthes and Hans Blumenberg among others The book thus contributes to interdisciplinary studies of philosophy and literature as well as to current debates about skepticism as a secularizing force fostering civil liberties and religious freedoms **Literary Authority** Claude Willan,2023-03-07 This book is the cultural history of an idea which now seems so self evident as barely to be worth stating through writing imaginative literature an author can accrue significant and lasting economic and cultural power We take for granted now that authority dwells in literature and in being its author This state of affairs was not naturally occurring but deliberately invented This book tells the story of that invention The story s central figures are Alexander Pope and Samuel Johnson But its narrative begins in the 1680s with the last gasp of the bond linking literary to political authority While Jacobite poets celebrated and mourned the Stuart dynasty Whig writers traced the philosophical and aesthetic consequences of the accession of William of Orange Both groups left behind sets of literary devices ready made to confer and validate authority Claude Willan challenges the continued reign of the Scriblerian model of the period and shows how that reign was engineered In so doing he historicizes the relationship between good and bad writing and suggests how we might think about literature and beauty had Pope and Johnson not taken literary authority for themselves What might literature have looked like and what could we use it for he provocatively asks *Queen Anne and*

the Arts Cedric D. Reverand II, 2014-12-18 The cultural highlights of the reign of Queen Anne 1702-1714 have long been overlooked. However, recent scholarship including the present volume is demonstrating that Anne has been seriously underestimated both as a person and as a monarch and that there was much cultural activity of note in what might be called an interim period coming after the deaths of Dryden and Purcell but before the blossoming of Pope and Handel after the glories of Baroque architecture but before the triumph of Burlingtonian neoclassicism. The authors of *Queen Anne and the Arts* make a case for Anne's reign as a time of experimentation and considerable accomplishment in new genres, some of which developed and some of which faded away. The volume includes essays on the music drama, poetry, quasi-operas, political pamphlets, and architecture as well as on newer genres such as coin and medal collecting, hymns, and poetical miscellanies all produced during Anne's reign.

Eighteenth-Century Poetry and the Rise of the Novel Reconsidered Kate Parker, Courtney Weiss Smith, 2013-12-24 *Eighteenth-Century Poetry and the Rise of the Novel Reconsidered* begins with the brute fact that poetry jostled up alongside novels in the bookstalls of eighteenth-century England. Indeed, by exploring unexpected collisions and collusions between poetry and novels, this volume of exciting new essays offers a reconsideration of the literary and cultural history of the period. The novel poached from and featured poetry and the modern subjects and objects privileged by the rise of the novel. Scholarship are only one part of a world full of animate things and people with indistinct boundaries. Contributors: Margaret Doody, David Fairer, Sophie Gee, Heather Keenleyside, Shelley King, Christina Lupton, Kate Parker, Natalie Phillips, Aran Ruth, Wolfram Schmidgen, Joshua Swidzinski, and Courtney Weiss Smith.

Whispering the Secrets of Language: An Mental Quest through **Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists**

In a digitally-driven world wherever displays reign supreme and immediate communication drowns out the subtleties of language, the profound techniques and psychological nuances hidden within words frequently get unheard. However, set within the pages of **Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists** a captivating literary prize sporting with organic feelings, lies a fantastic quest waiting to be undertaken. Published by a talented wordsmith, this wonderful opus attracts readers on an introspective journey, gently unraveling the veiled truths and profound influence resonating within ab muscles material of each word. Within the psychological depths of the moving evaluation, we shall embark upon a honest exploration of the book is key subjects, dissect their interesting writing design, and fail to the powerful resonance it evokes strong within the recesses of readers hearts.

Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists Introduction

In today's digital age, the availability of Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free

eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books and manuals for download and embark on your journey of knowledge?

FAQs About Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists Books

1. Where can I buy Skeptical Sublime Aesthetics Ideology In Pope And The Tory Satirists books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
